

U. BOATS SINK TWO NORWEGIAN STEAMSHIPS

Brings Total of Vessels Sunk Up To Eighteen

(By Associated Press)
New York, June 12.—Two Norwegian steamships, the Vindeggen and the Henrik Lund, were sunk by a German submarine when about 200 miles east of Cape Charles, Va., on last Saturday and Monday, respectively. This brings the total of vessels sunk by U-boats since they began their campaign in these waters to 18.

The crews totalling 68 men were brought here today by a Danish steamship which picked them up at sea after they had been sent adrift in their small boats. Eighty tons of copper ingots, part of the cargo of the Vindeggen, were taken aboard the U-boat before the steamship was sunk by means of bombs. The vessel was stopped by the submarine on June 8 and the crew was obliged to unload the copper into the ship's boats and transfer it to the U-boat. Then the small boats were taken in tow until the Henrik Lund was sighted on June 10.

Washington, June 12.—A brief report to the navy department today announced the arrival at New York of the survivors of the Norwegian steamers Vindeggen and Henrik Lund, sunk about 120 miles east of Cape Hatteras, the Vindeggen according to reports being sunk at 5:30 p. m. on June 8, and the Henrik Lund at 6:17 p. m. on June 10th.

This announcement was issued by the war department.

"The navy department is informed that the Steamship Borund arrived at New York at 3:30 o'clock this afternoon with survivors from the Norwegian steamers Vindeggen and Henrik Lund, sunk by submarine about 120 miles east of Hatteras. The Vindeggen, according to reports was sunk at 5:30 p. m. on June 8, and the Henrik Lund at 6:17, on June 10th.

The Henrik Lund was from Norfolk for New York. Stopped by the submarine the crew of this ship likewise ordered into small boats and the ship sent to the bottom by bombs. The two crews were taken into tow and when the Danish vessel was sighted according to their story the submarine cut them adrift and submerged. The Vindeggen was halted here from a South American port, her copper consigned to the American Smelting and Refining company. The destruction of these two ships makes four flying the Norwegian flag which have been victims of German submarines in American waters. The two others were the Vinland sunk June 5 and the Eldsvold, sunk June 4, both off the Virginia Capes.

New York, June 12.—The audacity of a German submarine captain who kept his vessel on the surface for two days while transferring to the U-boat eighty tons of copper from the Norwegian Steamship Vindeggen, which was halted here from a South American port, her copper consigned to the American Smelting and Refining company. The destruction of these two ships makes four flying the Norwegian flag which have been victims of German submarines in American waters. The two others were the Vinland sunk June 5 and the Eldsvold, sunk June 4, both off the Virginia Capes.

The Henrik Lund hove in sight and was signalled by the submarine just as the latter was finishing its looting of the Vindeggen's cargo, said members of the crews. The German commander ordered both the ships' companies into their boats and sent the two vessels to the bottom with bombs.

NAVY SURGEON GEN. REVIEWS JACKIES

Governor Lowden Dedicates New Red Cross Building.

Chicago, June 12.—Admiral W. C. Braisted, surgeon general of the navy today went to the Great Lakes Naval training station and reviewed twenty five battalions of Jackies. He and Governor Frank O. Lowden of Illinois officiated at the dedication of a new Red Cross building on the reservation. Wednesday visitors day at the station and hundreds of delegates to the American Medical association convention were there.

IOWA MASONS ELECT.

Ottumwa, Iowa, June 12.—The Iowa Grand Lodge of Masons today selected Cedar Rapids for its next meeting place and elected the following officers: George Schoenover, Anamosa, Grand Master. C. R. Sutherland, Cedar Rapids, Warden. L. H. Warren, Des Moines, Junior Warden. M. R. Anshak, Clarinda, treasurer. N. R. Parvin, Cedar Rapids, secretary.

STATEMENTS

Official Communications Issued by Belligerent Countries Regarding War Situation.

AMERICAN

WASHINGTON, June 12.—Gen. Pershing's communique tonight said there was nothing to report aside from continued artillery activity in the Woevre and the taking of prisoners by American patrols in Picardy.

FRENCH

WITH THE FRENCH ARMY IN FRANCE, June 12.—By the Associated Press.—The advantage gained by the allies yesterday was even greater than at first reported. Besides carrying out remarkably successful counter-attacks resulting in the restoration of some territory and the capture of many prisoners they repulsed a very fierce German attack in the region of Bethancourt, Machemont and Chevignacourt.

The enemy by employing large forces was able to obtain a footing in Machemont and Bethancourt, but an immediate counter-blow drove them from the latter while they never reached Chevignacourt.

WITH THE FRENCH ARMY IN FRANCE, June 12.—By the Associated Press.—On a wide of battle front three thousand yards in extent no fewer than four German divisions (more than 50,000 men) were preparing to hit a hard blow when the French yesterday launched a highly successful counter attack southeast of Montdidier.

The result of the German troops was fatal for them because the entente allied artillery, machine guns, rifles and aviators were able to aim at point-blank range into these masses of men. This concentrated fire did terrible execution.

The battle continued throughout the night and in the early hours this morning when the entente allies made a further advance, to the east of Mery, which is a most important point as it commands the valley.

ENGLISH

LONDON, June 12.—The official communication dealing with aviation issued this evening says: "Yesterday British airplanes assisted French aviators in a counter-attack on the western portion of the Noyon battle front by special patrols sent out to deal with German machines as well as by vigorous and constant bombing of enemy trenches, gun positions and communications. A heavy machine gun fire was directed from a low altitude upon hostile troops and transports throughout the same area.

"Ten German airplanes were destroyed during these operations and four were driven down out of control. We lost three machines. Two of our machines reported yesterday as missing have returned."

GERMAN

BERLIN, June 12.—via London.—The French have evacuated Carlepoint wood on the east bank of the Oise, according to the announcement by general headquarters today, and the Germans are making advances along this important line.

The statement reads: "There have been artillery duels of varying intensity. The infantry activity has been limited to reconnoitering engagements."

"Army of the German crown prince: Yesterday the hard fighting repulsed an expected counter-attack for the recapture of a group of hills southwest of Noyon which was carried out in strength by several French divisions. The enemy was thrown back on the whole of the front of the attack from Le-Ployron to Antheuil, with the heaviest losses. His armored cars which were brought into action in great numbers are lying shot to pieces on the battle field.

"Between Mery and Belloy, where the enemy's assault was shattered by a counter-attack, bitter fighting lasted until night fall. The west bank of the Oise north of the point where the Matz runs into it has been cleared of the enemy."

The number of prisoners brought in by the army has increased to more than 13,000. The loss of the heights southwest of Noyon forced the enemy to evacuate his positions in Carlepoint wood, on the east bank of the Oise. In close pursuit we followed the retreating troops and fighting our way forward reached a line running north of Bailly, thru Tracy-le-val to Nampcel.

TO PLAY OVER

KANSAS CITY, Mo., June 12.—E. W. Dickerson, president of the Western League announced tonight that the game between St. Joseph and Des Moines at Des Moines May 1 had been ordered played over. Protest was made by St. Joseph on the ground that Musser, who pitched for Des Moines was under suspension by the Minneapolis American association club.

FRENCH TROOPS MAKE ADDED ADVANCES

Capture 400 Prisoners and Several Guns

(By The Associated Press)
PARIS, June 12.—The French troops have made further advances around Belloy and St. Maur and have captured four hundred additional prisoners and some cannon and machine guns, according to the war office announcement tonight. They have also recaptured Montcourt and part of Bussieres, north of the Marne.

The official report says that the French troops were withdrawn east of the Oise, along the line of Bailly, Tracy-le-val and Nampcel, under the protection of covering detachments without the enemy being aware of the movement. While most of the German attacks were repulsed the enemy succeeded in getting a foot hold on the southern bank of the Matz river, occupying the village of Melicocq and adjoining heights.

The text of the statement reads: "Between Montdidier and the Oise the enemy renewed his pressure during the day. On our left all his attempts to wrest from us our gains of yesterday failed. We made progress in the region of Belloy wood and St. Maur and took four hundred additional prisoners as well as numerous cannon and machine guns. On the front of St. Maur-Anteuil there was no change.

"On our right the Germans renewed their attacks along the Matz river. After several attempts which cost them heavy losses they succeeded in gaining a footing on the south bank in the village of Melicocq and on the heights of Croix Ricard.

"East of the Oise our troops on Monday carried out a withdrawal on the line of Bailly, Tracy-le-val and west of Nampcel, under the protection of covering detachments who masked our movement to the enemy. In the region of the Haute Braye we repulsed an enemy attack and took prisoners.

"South of the Aisne, desperate engagements in which the fighting was hand-to-hand took place between the river and the forest of Villers Cottiers. Our troops offered spirited resistance to the attacks of the enemy who made slight progress on the plateau west of the villages of Domniers and Cutry. All his efforts against Ambleny and St. Pierre Aigle failed. North of the Marne our troops occupied Montcourt the small woods north of Eloup and the southern part of Bussieres.

TEXAN CHARGED WITH SMUGGLING

Silliman Evans Released Today Under Heavy Bail.

Dallas, Texas, June 12.—Silliman Evans, Texas newspaperman and formerly a clerk in the American Legation at Copenhagen was released here late today under \$5,000 bail after having been in custody of federal officers since early Tuesday morning on charges of smuggling. A small box bearing the Copenhagen legation seal for which federal authorities had been searching in connection with the suspected smuggling of Russian crown jewels into this country was found today in Evans' apartments. The box, it is said, was found to contain several undeveloped letters addressed to various governmental departments at Washington. Evans' hearing was set for June 24.

Evans who is well known in newspaper circles went to Copenhagen last December as clerk to the American legation. Owing to ill health he resigned and only recently returned to Dallas and resumed newspaper work. Judge Miller, counsel for Evans said today his client is desirous of returning to New York immediately to assist the government in the alleged smuggling case. To that end Judge Miller urged Evans hearing be advanced as much as possible.

Evans, according to federal officials admits he met on the boat coming to New York and became friendly with one or two men, now under arrest in the east in connection with the Russian crown jewel smuggling case. He has no knowledge of that case, however, Evans said. His explanation of failure to deliver government mail in Washington is that he feared his memory. The seal to the box had not been tampered with officers said today.

OVERSEAS CASUALTIES

(By The Associated Press)

WASHINGTON, June 12.—The army casualty list today contained 127 names, divided as follows: Killed in action, 15; died of wounds, 9; died of airplane accident, 1; died of accident and other causes, 17; died of disease, 18; wounded severely, 60; wounded degree undetermined, 56; missing in action, 1.

KILLED IN ACTION

Lieutenants Wilmer Bodenstab, Yonkers, N. Y.; Nathan, Brockton, Mass.; Malcolm Johnstone, Arlington, Wash.; Corporals Benard A. Gill, McLeod, Ohio; John O. Jenkins, Rockport, Ind.; Privates Cyrus P. Adcox, Fayetteville, N. C.; Albert L. Cox, Weiser, Idaho; David H. Dobbs, Pleasanton, Miss.; Thomas Dryden, Flemington, Ky.; Daniel Harder, Almyra, Ark.; Paul Hume, London, O.; Daniel R. Lofis, Almyra, Ark.; Anthony Snyder, 13th Company, Marine Corps; Leslie Senter, Shelmerville, N. C.; Wilford Vetterling, Liberty, Ky.

DIED OF WOUNDS

Cook Stefan Stankiewicz, Carlowka, Russia; Privates George William Dell, Malvern, Pa.; Harry G. Kingston, Hermon, N. Y.; John H. Lindsay, Boston, Mass.; Justin C. Lydel, Nashville, Tenn.; Sandusky Lynch, Lebanon, Ky.; Peter W. McCreary, Rosalia, Miss.; Joseph D. Murphy, 13th Company, Marine Corps; Clarence R. Phillip, Larue, Ohio.

DIED OF DISEASE

Captain Leonard K. Hart, Shawnee, Ohio; Privates Tony Baughton, Rayville, La.; Ramey W. Clayton, Canyon, Tex.; Ray R. Craun, Ames, Ia.; William F. Dowling, Connellsville, Pa.; Charles A. Engle, Astoria, N. Y.; Samuel E. Fulkrod, Williamsport, Pa.; Gordon Hayer, Nichols, S. C.; Stanley E. Luczynski, Chicago; William A. McGuire, Mountain Home, Tenn.; George C. Mondeski, New Britain, Conn.; Edwin F. Olson, Cambridge, Minn.; Edwin H. Olson, Springfield, Ore.; George W. Scallan, Brooklyn, N. Y.; Emmet Segray, Hampton, Ga.; Eddie Smith, 13th Company, Marine Corps; John S. Smith, Grand Rapids, Mich.; William M. Sullivan, Passaic, N. J.; John T. Tuckerman, New York City; Herman Voth, New York City.

DIED OF ACCIDENT AND OTHER

Sergeants Harry Golden, New York City; Raymond J. Shearman, Berkeley, Cal.; Privates Nils Oscar Anderson, Brooklyn, N. Y.; Thomas Higgins, Buffalo; Domenico Caputo, Brooklyn; Joseph G. Grome, Cincinnati; Charles D. Hildebrand, Minneapolis; John Morrone, Roslyn, N. Y.; Pasquale Papp, Milbrook, N. Y.; Benjamin Papp, Roslyn, N. Y.; Frank Richardson, Atlanta, Texas; Frederick W. Roller Jr., Cincinnati; Charles R. Rowan, Cohoes, N. Y.; Frederick G. Schwab, Brooklyn; Joseph Stenseth, Nunda, S. D.; Emil Tuckerman, New York City; Herman Voth, New York City.

SEVERELY WOUNDED

Captain Don L. Caldwell, Greenfield, Ohio; Lieutenants Albert E. Billing, Cedar, N. Y.; George E. Butler, Arkansas City, Kans.; Sergeant William Schmidt, Martinsville, Ind.; Sergeants Lovi P. Brimmer, Reading, Pa.; Fred W. Corzine, Concord, N. C.; Joseph B. Jenkins, Kitts, Hill, Ohio; Albert H. Martin, Oskaloosa, Ia.; Edward M. Osmar, Saginaw, Mich.; Edward Svatba, New York City; Corporals Arthur P. Dunn, Havana, Cuba; Floyd W. Gilliland, Chicago; Theodore Nestla, Darrington, Wash.

FREIGHT RATE INCREASE MODIFIED BY M'ADOO

To Rescind Intra-State Rates When in Conflict With Interstate Rates.

Washington, June 12.—Modifications of the recent freight rate increase order announced tonight by Director General McAdoo, provide that the plan by which intra-state rates would have been cancelled when in conflict with interstate rates shall be rescinded, that the minimum charge of \$15 a car shall not apply to local switching movements nor to heavy articles such as brick, sand, lumber, ore and coal; and that the increase of 15 cents per hundred pounds on cotton is to apply to any quantity instead of only to carloads.

This modification removes the provision of the original order which would have raised rates on many intra-state shipments on a double basis, first imposing higher interstate schedules where they existed for intra-state hauls, and then raising these interstate rates 25 per cent. In many southern and western states the result would have been to have increased the rates several per cent.

The amendment issued today also provides that increases shall be imposed only once on combination rates made up of several local rates applying to a long distance.

UPHOLD'S CLAIM ON

CINCINNATI, O., June 12.—In a majority finding the National baseball commission today declared the transfer of player Scott Perry from the Atlanta club to the Philadelphia American League club null and void and upheld the claim of the Boston National League club to the player. The Boston club was also permitted to return the player to Atlanta, if, after three days trial it desires to do so.

President Johnson of the American League did not concur in the finding which was signed by Chairman August Hermann, of the National commission, President Tener of the National League and Secretary J. H. Farrell, of the National association. President R. H. Booth of the Southern association, filed a minority finding, in which he stated he believed the Atlanta club was within its rights in disposing of Perry to the Philadelphia club.

1,000,000 MEN IN FRANCE SOON BAKER ASSERTS

In Speech Before the Graduating Class of West Point

(By The Associated Press)
WEST POINT, June 12.—More than a million men soon will be in service in France declared Secretary of War Baker in an address today to 137 graduates of the United States military academy.

General Petain Marsh, chief of staff said that neither raiding German submarines off the Atlantic coast nor the territorial gains of the enemy on the western front will affect America's policy of sending men to France as fast as ships can carry them.

"Today's graduation was that of the class of 1919, whose members were awarded their diplomas a year ahead of time, the first since 1818 to attain that distinction because of the urgent demand in the army for trained officers."

Secretary Baker, who awarded the diplomas to the graduates told them they were destined to have a part in leading the armies of the nation to a victorious peace.

"After that," he said "as officers of the regular army, you will prepare not for war, but be ready for another war if any body wants to make it."

"I can imagine that when the God of nations calls the roll of those who have been faithful England will say 'I am here with my ships and my men. My losses are grievous but my spirit is unbroken.'"

"Italy answers from the Alps to the Asiago. She says: 'My sons are here dying and struggling, but holding the mountain passes against those who would crush us.'"

"And when America answers does it not thrill you to hear: 'We too have crossed the infested seas as Lafayette and Rochambeau did long years since. We have co-ordinated our work shops and fabricated our materials. We are marching hundreds of thousands strong and we will continue to be there to the end.'"

General March told the graduates they were fortunate in becoming officers at this time, when they will be able, under war conditions to achieve rapid advancement.

DECLARE AMERICAN CITIZENSHIP NO VALUE

Resolution Drawn Up in 1915 Introduced in U. S. House.

Chicago, June 12.—A resolution drawn up in 1915 declaring that the rights of American citizenship are no longer of any value and that they would forfeit allegiance to the United States and signed by certain residents of Rockford, Ill., was introduced as evidence at the trial of 119 Industrial Workers of the World, on the charge of violating the espionage laws today.

The document was said to have been drawn up as a protest against the execution of Joseph Hillstrom after his conviction on a charge of murder in Utah.

The resolutions declared that Hillstrom did not receive a fair trial.

Correspondence passing between Charles R. Griffin of Seattle and other I. W. W. leaders was then read. In one letter Griffin said:

"We are preparing for some big doings over the Christmas holidays. I am posting a high school lad so he can lecture on the I. W. W. in school. The teachers and the school board have their pupils during the subject 'what is the I. W. W.?'"

William D. Hayward, writing to Griffin, informed him of the strike in the lumber districts.

PEOPLE TO OBSERVE BEEF ALLOWANCE

WASHINGTON, June 12.—To meet needs of American and allied armies and civilian populations of France, Great Britain and Italy, American people were asked by the food administration today to place themselves on a limited beef allowance until September 15th.

WAR SUMMARY

News of Activities On Various Battle Fronts in Summarized Form By Associated Press.

Further gains have been made by the French troops in the fighting in the region between Montdidier and Noyon, where in addition to the capture of territory near Belloy and St. Maur, the center of the line, 400 additional Germans have been made prisoner and some guns and machine guns have been taken. Numerous German counter-attacks have been repulsed, but the enemy succeeded at one point in crossing the Matz river.

On the eastern side of the Oise river the French have carried out a strategic retirement along the line of Belloy, Tracy-le-val and Nampcel, unobserved by the enemy.

Farther south, north of the Marne in the region of Chateau Thierry, the French have recaptured the village of Montcourt and a portion of the village of Brussiares. In violent fighting between the Aisne river and the forest of Villers Cottiers, the enemy made slight gains against the French.

The French forces operating on the east bank of the Oise river south of Noyon have evacuated the Carlepoint wood and the Germans are closely pressing them southward, according to the German official communication Wednesday. The communication also asserts that the territory on the opposite side of the river near where the Matz enters the stream has been cleared of allied troops.

Nowhere else along the battle front running from Montdidier to the region around Noyon is any claim made to further advances by the Germans. On the contrary, the latest communication shows that the enemy everywhere has been busily engaged in attempts to hold back the French and other allied troops, among them some Americans. No mention is made in the communication of the allies having advanced their front east of Meuse and the Garlis wood or of the repulse of violent German attacks along the Aronde river and at the Loges farm and Antheuil. Neither is there any mention of the fact that the enemy, notwithstanding his numerous attempts has been unable to debauch the south of the Matz river.

The communication asserts that the allied forces have been repulsed and that they suffered heavy casualties. It declared that the number of prisoners taken by General von Hutier's army has now risen to more than 13,000. It had been admitted that the position of the defending line on the west bank of the Oise river was a delicate one owing to the capture by the Germans of the outflanking hills to the west and a successful drive thru the Carlepoint wood on the opposite side of the stream seemingly would have necessitated a strategic retreat if the troops were not to be entirely cut off.

Southwest of Montdidier, where the allied forces on Tuesday in violent counter attacks made notable gains against the enemy, American troops have been thrown into the day, out how many or what branch of the service they belong has not yet been indicated.

To the north of Montdidier the Germans several times have tried to drive out the Americans from the village of Cantigny but each time they have been repulsed. One party of forty Germans was repulsed by the revolver fire of the defenders of the village.

Southwest of Montdidier, where the allied forces on Tuesday in violent counter attacks made notable gains against the enemy, American troops have been thrown into the day, out how many or what branch of the service they belong has not yet been indicated.

TWODEAD, TWELVE SERIOUSLY INJURED

Denver & Rio Grande Train Goes in Ditch at Salt Lake City.

Salt Lake City, Utah, June 12.—Two men are dead, twelve persons are seriously injured, some possibly fatally and 39 others suffered minor injuries just outside the city limits here today when four coaches of Denver & Rio Grande passenger train No. 1, left the rails while pulling into the local yards and rolled down a steep embankment. Among the seriously injured are five women. The train carried approximately 300 passengers, according to railroad officials. Identity of the dead men was not possible when nurses and doctors first reached the wreck.

The derailment, according to railroad officials was due to the spreading of rails caused by excessive heat.

Y. Kakebe, Japanese section foreman in charge of a crew of track workers which had been placing new ties at the spot where the train derailed, was killed by the cars piled over the embankment and seriously injuring several others, faces a charge of involuntary manslaughter tonight.

Kakebe was arrested shortly after the cars piled over the embankment and Sheriff Coker of this county said he would swear to a warrant charging manslaughter tomorrow morning.

It developed that the Japanese section gang, according to the sheriff and railroad officials, were replacing old, worn-out ties and that the foreman of the gang had failed to place danger signals or post flags to warn approaching trains. An investigation disclosed that the rails rested on loose ties for a distance of several hundred yards, the sheriff said.

UNDERWOOD BILL MEETS DEFEAT IN THE SENATE

President Gives His Explanation for Oppen Diplomacy

(By The Associated Press)
WASHINGTON, June 12.—Explanation by President Wilson today that his call for open diplomacy, made in an address to congress last January, meant not public discussion of delicate matters, but "open, above-board and explicit" publicity of completed international relations was followed by defeat in the senate 50 to 23 of Senator Borah's proposal for public consideration of treaties. Rejection of the Borah plan advanced as an amendment to the new rule proposed by Senator Underwood of Alabama, to limit debate during the war paved the way for action tomorrow on the Underwood resolution. An agreement to vote at 4 o'clock tomorrow afternoon was reached.

President Wilson's own interpretation of his open diplomacy declaration was made known in a memorandum to Secretary Lansing read to the senate by Chairman Hitchcock of the foreign relations committee. The memorandum was written March 12, after introduction of the Borah resolution and was made public as a result of the argument in the senate yesterday over what the president's words meant.

Senator Borah insisted that the president's statements in his address in favor of open negotiations were so plain as to be impossible of misconstruction. Nineteen Republicans and four Democrats voted for adoption of the amendment while fourteen Republicans joined thirty six Democrats in its rejection.

With the Borah amendment in the discard attack was renewed on the Underwood clause rule, despite acceptance of a similar resolution by Senator Cummins of Iowa, extending privileges of debate.

In lieu the original resolution to limit senators' debate during the war on one hour on bills or resolutions except by unanimous consent the Cummins' substitute would allow one hour and a fifth and provide for extension by majority vote.

Rejection 40 to 29 of an amendment by Senator Gahlinger of New Hampshire, to restrict closure to the present year, was regarded by the advocates of closure as indication of final adoption of the modified rule.

Senator Cummins of Iowa, contended vigorously that the rule would expedite legislation. He pointed out that 200 bills and resolutions of the Sixty-fourth congress were left on the calendar without being disposed of by the senate. Five thousand bills and resolutions have been introduced at the present session he said and of this number only ten per cent will have been considered by committees by the time the session ends.

INTERNATIONAL LABOR RELATIONS DISCUSSED

ST. PAUL, Minn., June 12.—International labor relations and necessity for establishing an international exchange of labor information were discussed today by a committee of the American Federation of Labor here. Several important committee meetings including resolutions, adjustment and organization were held. This business caused an abandonment of the afternoon session of the convention proper.

President Samuel Gompers in an address to the St. Paul business men's association reaffirmed labor's loyalty and support of the government's war policy. Most of the women delegates to the convention spent the afternoon knitting in hotel lobbies. The session tonight was given over to the American alliance for labor and democracy. Short talks were made by members of the American labor mission which yesterday presented a report of its meetings with English and French labor leaders.

MRS. VANDERBILT MARRIED.

Lenox, Mass., June 12.—Mrs. Alene Gwynn Vanderbilt was married at Holmanwood her country home here today to a second T. Baker, director of the United States mint. They left tonight for California.

Mrs. R. C. Vanderbilt was maid of honor. United States Senator Key Pittman, Nevada, best man. The ceremony was performed by Rev. Benson N. Wayman, pastor of Lenox Congregational church.

The Associated Press is exclusively entitled to the use for republication of all news dispatches credited to it or not otherwise credited to this paper.

If you honestly believe that Jacksonville has a sufficient water supply and that there is no need of more water as a matter of health and fire protection, then you should vote against the issuance of bonds at the election next Tuesday. No other really valid reason for opposition has yet been suggested. The conduct of the war is the big question before the people of this country.

Just now in Jacksonville it only slightly overshadows the importance of the water question, for that is one which concerns the life and property of every Jacksonville resident. Local patriotism just as fully demands a correct and satisfactory solution of this water question just as much as does the great war demand the right solution by the whole people.

The Morgan county local board can be taken as authority for the statement that now is a fine time for some Morgan county young men who are in deferred classifications to waive all claims and ask to be sent with the next Morgan county contingent into a training camp. The list is open for such patriotic volunteering.

"FIGHT OR WORK" A REALITY

The powers of the Morgan county local board are widening. Now they are expected to give a share of their attention to registrants who are found to be idle or who are engaged in non-productive occupations. It is understood that at no distant date their authority will extend beyond the list of registrants into the class of men ranging in age from 21 to 47 years. It will be their duty to see that all these men are at work and in necessary lines of industry, unless there is some satisfactory reason why they should not be so engaged. Evidently the government slogan of "fight or work" is not merely a matter of discussion but is to be rigidly enforced.

McCORMICK GETS BOOST.

The candidacy of Congressman Medill McCormick for Republican nomination for U. S. senator has received the hearty endorsement of fourteen past presidents of the Swedish-American Republican league. This organization is one of the largest in Illinois and has been holding its convention regularly for the past twenty five years on the anniversary of the victory of the Monitor over the Merrimack. The list of past presidents included a number of the best known men in the state, representing all parts and the assurance of support they have given to Mr. McCormick will redound greatly to the benefit of his candidacy. The men in the group express their earnest approval of Mr. McCormick's record in congress and their belief that his services will be even of more value in the senate.

PATRIOTISM DOMINANT COMMENCEMENT NOTE.

The events of Illinois college commencement week have been especially notable and friends of the college have been of one mind in this thought. So many students and alumni are engaged in the war and since twenty six of the original members of this year's graduating class are actually in the service, it can be readily understood how patriotism was the dominant note throughout the week.

Social Events

Caye Six o'Clock Dinner.
Mrs. Sybil Hendrick was hostess to a beautifully appointed six o'clock dinner Monday at her home, 502 West College avenue in honor of her niece, Mrs. H. H. DeLapp and son of Los Angeles, Calif.

Will Meet Friday.
The West Side Ladies Art Club will meet Friday afternoon with Mrs. Angie Harris and Mrs. Cynthia Corbin at the home of the former on Chambers street.

At President Rammelkamp's Home.
President and Mrs. C. H. Rammelkamp of Illinois college entertained a company of twenty at dinner Wednesday. Non-resident trustees with their wives and other commencement visitors were included in the company. The event was one of special social pleasure.

W. F. M. S. of Brooklyn Church Meet.
The Woman's Foreign Missionary society of Brooklyn Methodist church met with Mrs. W. Walker, 1204 Park Place Wednesday afternoon with a good attendance. The meeting was very interesting, the fifth chapter of the study book being read. Along with this there was a letter read from Miss Collier who is now a missionary in Africa. Mrs. Walters led the discussion.

Catholic Ladies Aid Met Wednesday.
The Ladies Aid society of the Church of Our Savior met with Mrs. Eugene Ball, 603 East College street Wednesday afternoon with a good attendance of members. After a business session a delightful social hour was enjoyed and various amusements were indulged in. The next meeting will be held with Mrs. Thomas Walsh, 1125 Hardin avenue, Wednesday, June 24.

Entertained for Departing Soldiers.
Mr. and Mrs. Edward Story entertained a number of friends Tuesday evening at their home near Franklin in honor of Robert Cooper and Reuben Moore, who are soon to leave for Camp Taylor. Outdoor games and music were a feature of the evening. The guests departed wishing Robert and Reuben much success.

The guests present were Misses Mary Puhl, Beatrice Cooper, Dorothy McDevitt, Lily Mosley, Bessie Mosley, Lucinda Mosley, Lulu Bell, Vivian Haynes, Martha Seymour, Effie Luckeman, Carrie Crum, Irene Mills, Ester Sample, Sylvia Skerens, Ruth Ebrey, Yvonne Story, Mrs. J. W. Bell, Messrs. Floyd Smith, Roy Smith, Ralph Ebrey, John Luckeman, Elmer Strawn, Hardin Bell, Reuben Moore, Robert Cooper, Hiram Ransom, Clifford Ransom, James Mosley, Lloyd Mosley, Glen Ebrey, Richard Bell, Melvin Sample, Edward Brose, Emmet Claycomb, James Fairfield, Mr. and Mrs. Russell Haynes, Mr. and Mrs. G. Roach, Mr. and Mrs. Henry Baker and babe.

Lieut. James Lemons' Engagement Announced.
The Portland Oregonian says: "Miss Grace O'Neill's engagement to Lieutenant James Hatfield Lemons, U. S. A., was announced yesterday at a charming luncheon for which Mrs. James Twombly was hostess at the University Club. The announcement came as a genuine surprise to the friends of the bride-elect and her fiancé, both of whom are popular socially. Miss O'Neill is the daughter of Mr. and Mrs. J. J. O'Neill and a charming girl. She is an ardent motorist and for some time she was one of the most graceful and best swimmers of the Multnomah A. Club. Miss O'Neill was graduated from Portland Academy and since that time she has been active in social affairs and athletics sports.

Mr. Lemons is a member of the 14th Infantry U. S. A. and at present he is on detached service in Portland. He also is a devotee of all outdoor sports and is one of the popular and most enthusiastic members of the Portland Hunt Club.

The marriage will be an event of June 19 at the home of the bride-elect's parents and it will be a military affair.

At the luncheon were a group of close friends of the bride-to-be, who were seated around a table bedecked with a French basket filled with pink and lavender sweet peas. The place-cards, dainty pink rosebud favors, concealed the announcement cards.

An adequate water supply means property and health protection—for YOU. Vote for the \$75,000 bond issue Tuesday.

BIRTH RECORD

Born to Mr. and Mrs. Carl Bourne and wife Sunday, a seven and a half pound boy. Mr. and Mrs. Bourne reside near Sinclair.

Born Tuesday at Our Savior's hospital to Mr. and Mrs. Charles P. Grange of Grand View Farm, St. Louis, Mo., a daughter, Marjorie Lee. Mrs. Grange was formerly Miss Etta Black of this city.

Born to Mr. and Mrs. Carl E. Bourne of Sinclair, a son, Sunday June 9th.

The Overland Berger-Pine Co. has sold a 90 Overland Touring car to Emil Norrup of near Mercedosa.

Dr. Kennibrew's office hours: 11 to 12 a. m.; 1:30 to 4 p. m. Evenings and Sundays by appointment.

KEEP TO THE ISSUE

If the people of Jacksonville cannot unite in putting over the coming bond election for the purpose of securing a water supply, they had just as well give up the project and content themselves with an uncertain and inadequate supply.

It is a matter of common knowledge that the investigation on which the present water supply proposition is founded has been begun fifteen months ago. The whole proceeding has been careful and painstaking. The investigation has been made by well known citizens of Jacksonville, in conjunction with city officials. The best engineers that the state of Illinois has at its disposal made the investigation. Their work was supplemented by other engineers of known ability.

Now the proposition is up to the people. If the people next Tuesday vote on the question as to whether or not they are in favor of spending \$75,000 for a permanent water supply which can easily be made to pay for itself, the proposition will carry by a large majority.

The only influence that can defeat this proposal is the possibility that people instead of voting for the water improvement will vote against it because they have some personal feeling of disapproval against some citizen or some city official. That personal feeling has nothing to do with the present situation. The city administration is not on trial. This is a question of having or not having a water supply. It is most earnestly to be hoped that the public mind will be focused upon the real question and that no outside matters will be considered.

TO PROVIDE MEN FOR SPECIAL SERVICE

Local Board Called Upon To Furnish Three Men for Training at Valparaiso, Ind., and Three for Bradley Polytechnic at Peoria.

Telegrams received last night by Miller Weir, chairman of the Morgan county local board, stated that this county is to provide three men for training at Valparaiso, Ind. These men are to be in training June 15. An order was also received requiring the sending of three men to Bradley Polytechnic at Peoria. These men are also to go June 15. Mr. Weir said last night that the local board has a waiting list of men desiring to enter special service and the men who first apply to the board will receive first consideration for the appointments in accordance with their qualifications. The telegraphic order requiring these men are printed below:

Springfield, Ill.
June 12, 1918.

Miller Weir,
Jacksonville, Ill.

Reference call six twenty five, your allotment under this call is three men. This contingent will train June fifteen, arriving Chicago one forty p. m., transfer Pennsylvania lines, leaving Chicago three fifteen p. m., arriving Peoria nine a. m. Only white men held for general military service, who are grammar school graduates and have had experience along mechanical work, are to be inducted under this call. This contingent will report to commanding officer Bradley Polytechnic Institute, Peoria, Illinois. Printed attachment schedules will be mailed you today. Upon receipt of this message you will proceed to induct members of your contingent.

Smith, Major Inf. U. S. R.
Springfield, Illinois.

TRI-CLASS LEAGUE IN HAPPY REUNION

Members of Three Illinois College Classes At Banquet New Officers Named Water Bond Election Endorsed.

Another Illinois college commencement event of interest was the banquet of the Tri-Class league of the college. Men of the classes of 1899, 1900 and 1901 held a reunion and banquet at the Dunlap hotel. Twenty members of the classes were present and letters were read from twenty members who were unable to be present. Altogether the program was one which the men greatly enjoyed, as they reviewed the doings and sayings of other days and talked about present day affairs of the college. Officers were elected as follows:

President—T. W. Beadle.

Vice-President—Dr. A. M. King.

Secretary—H. D. Dobyns.

Treasurer—Thomas W. Hopper.

The members of the class voiced their interest in affairs of Jacksonville by passing a strong resolution in favor of the proposed issuance of bonds for water supply extension.

Whereas, The city of Jacksonville has had up to the present time periodically and continuously and insufficient and potable water supply which is a serious detriment in national way as a source of the health and general welfare of our community. Therefore, we the members of the original Tri-Class league of Illinois college will go on record as favoring the proposed bond issue whereby this city may obtain a sufficient and palatable water supply.

I. C. ALUMNI AT ANNUAL LUNCHEON

Event Took Place at Northminster Church—Capt. W. T. Harmon Served as Toastmaster.

The annual alumni luncheon of Illinois college was held Wednesday immediately following the commencement exercises. Students, alumni, members of the faculty and board of trustees went from the college campus to Northminster church, where an excellent luncheon was served by the women of the church. The tables were arranged in groups, the effort being made to have alumni who were in college at the same time seated at the same or nearby tables.

Alfred T. Capps, president of the alumni association, presided and grace was said by Rev. Percy H. Epler. When the luncheon had been served Mr. Capps with appropriate words welcomed the class of 1918 and a response was made by one of the young ladies of the class, who spoke in the absence of the president. There has been an interesting rivalry among various classes for the attendance record cup and Mr. Capps' remarks indicated that the class of 1903 was entitled to the honor this year and he suggested that the members of the class be prepared to receive this emblem. Ralph I. Dunlap, as treasurer of the alumni fund, presented his report which indicated that the fund is making a substantial and satisfactory growth from year to year. Capt. William T. Harmon, who is home from Camp Grant on furlough, was introduced as toastmaster. Naturally Capt. Harmon given a decided ovation. He talked in a very interesting way of life at Camp Grant where he has been stationed for a number of months past, and spoke also about other branches of the service and in general concerning the great war.

Dr. F. S. Hayden, dean of the college faculty, responded to the toast, "Illinois Men in the Country's Service." Dr. Hayden has a special pride in keeping in close touch with students of the college who are in the army or navy service and he was able to talk in a most interesting vein. The class of 1868 was represented by the men who graduated just fifty years ago. Mr. Ensley Moore and Dr. C. W. Miller both responded for this class and their references to earlier days and to the present were most happily. The class of 1903 which graduated just fifteen years ago, was eloquently represented by Prof. W. A. Lippincott. Then the company had the pleasure of listening to a toast by Dr. C. F. Wishart of Chicago. Mr. Wayne Wright presented the attendance cup to the class of 1903 and it was received with appropriate remarks by A. O. Lindsay on behalf of the class. This concluded the interesting program of the afternoon.

If your electric fans are in need of repair, call Phone 390. The Delco Man.

FUNERALS

Rogers.
Funeral services for James Myron Rogers were conducted from the undertaking parlors of Williamson & Cody Wednesday afternoon at 2 o'clock in charge of the Rev. R. B. Wilson, pastor of State Street Presbyterian church. Burial was in Jacksonville cemetery the bearers being Joseph Criddle, T. M. Tomlinson, William Floeth and James M. Swales.

Ehnie.
Funeral services for Mrs. Hannah Ehnie were held from Salem Lutheran church Wednesday morning at 10 o'clock in charge of the Rev. J. G. Kuppler. There was a large gathering of friends and relatives to pay a last tribute of respect to the deceased. Mrs. Robert Strie came two miles. There were many floral offerings and these were cared for by Mrs. Edward Brown, Miss Anna Weigand and Mrs. Frank Piepenbrink. Miss Loretta Piepenbrink and Mrs. E. C. Carpenter. Burial was in Jacksonville cemetery the bearers being Louis Perlich, William Batz, Chris Walker, Hugo Hempel, George Hedrick and William Muehlhausen.

G. W. Arundel, sub-agent of the Overland Berger-Pine Co., has sold Harrison Corbridge an 85-4 Overland.

I. C. TRUSTEES FAVOR BETTER WATER SUPPLY

Hearty Endorsement of Bond Election Proposal Given at Annual Meeting of the Board Wednesday—Reports for the Year of Satisfactory Character

The trustees of Illinois college held their annual session Wednesday. In fact, two sessions were held as the board met first at 8 a. m. and then at 2 o'clock in the afternoon. Andrew Russell, president of the board, presided and among the non-resident trustees present were David W. Frackelton, of Cleveland; H. J. Dunbaugh, Chicago; Robert Lamphier, Springfield; J. J. Bergen, Virginia; Frank R. Elliott of Chicago was elected a member of the board as was J. F. Downing of Kansas City, who was recommended as alumni trustee.

On recommendation of the faculty the trustees with enthusiasm granted issuance of war certificates to members of this year's class who have not completed the work because they are in the army service. The report by President Rammelkamp indicated the gratifying fact that the college has concluded the year without a deficit, notwithstanding the lessened income from tuition because of the war.

The trustees took action on the water supply question and by unanimous vote gave unequivocal endorsement to the proposed bond issue for water supply extension. In accordance with a request presented by the executor of the Emma Capps estate, the \$100 that she left to the college was added to the Stephen R. and Rhoda Capps fund.

More Property Listed.

The grounds committee made the interesting report that a complete listing of contents of all buildings and departments had been made and that such a comprehensive list had never before been prepared. For this reason an addition of \$15,000 was made to the college property and equipment holdings. Various reports were made and discussed and altogether the trustees were enabled to find a great deal of satisfaction in the progress made during the year. The commencement events were also a matter of comment and the commencement was accounted one of the most interesting in the history of the college. After some discussion of the water supply question the following resolution favoring it and asking friends of the college to vote for the bonds was passed by unanimous vote.

Water Bond Election Favored.

"Whereas, Illinois college is in serious need of a water supply both more abundant in quantity and better in quality than that now furnished by the city of Jacksonville, and whereas the present water supply of the city is entirely inadequate and the health and well being of the city are greatly endangered thereby; therefore, resolved, that the trustees of Illinois college, in annual meeting assembled, unanimously approve the proposition to issue bonds of the city to the amount of \$75,000 for the purpose of raising funds to construct an impounding reservoir and filtration plant and they urgently advise all friends of the college and all persons interested in the welfare of the city, to vote in favor of said bond issue."

An adequate water supply means property and health protection—for YOU. Vote for the \$75,000 bond issue Tuesday.

LITERBERRY BOYS ARRIVE OVERSEAS

Relatives Received Word of Safe Arrival of the Petefish Boys and Earl Myers in France—Will Hold Patriotic Meeting.

Literberry, June 12.—Relatives and friends have received a message telling of the safe arrival overseas of Orville and Jesse Petefish and Earl Myers. The young men enlisted about a year ago and are with Battery A, 124th United States Field Artillery. They report a pleasant voyage across.

A patriotic meeting in the interest of the War Savings Stamp campaign in Morgan county will be held in Literberry Christian church Saturday evening.

COMMERCIAL CLUB WILL HELP FARMERS

Winchester Organization Takes Steps to Assist Farmers With Crops—Other News of Interest from Winchester and Scott County.

Winchester, June 12.—A meeting of the Winchester Commercial club was held in the office of W. L. Bagshaw Wednesday evening. The members discussed the question of farm labor for harvesting the crops in Scott county this summer. A motion was made that the chairman, J. A. McKeene appoint a committee of three to see what could be done toward aiding in the harvesting of the crops and to ascertain what farmers were in need of help. The committee is composed of T. D. Smith, Albert Hainsfurther and John Wright. A committee consisting of John Kellom, Fritz Haskell and Frank Mason was appointed to take up the matter of a Fourth of July celebration.

Fred Smithson has arrived in the city from Houston, Texas. He came home to serve, if necessary, as an alternate for one of the thirteen young men who have been selected to attend the Rahe Automobile school in Kansas City.

In the list of names published in Tuesday's Journal of the name of Conrad Fendel was given as Sendel. These young men who are to go to the Rahe Automobile school on Friday morning at 11:30 over the Burlington for their destination. Mrs. J. R. Peak has been quite ill at her home west of Winchester.

Paul Mason arrived Tuesday from St. Louis for a short visit with his parents, Mr. and Mrs. Frank Mason. He expects to return home tomorrow.

Mrs. J. W. Haigner arrived Tuesday for a visit at the home of Dr. James Minor and daughter, W. H. Winison left Wednesday for a short visit in Jacksonville.

An adequate water supply means property and health protection—for YOU. Vote for the \$75,000 bond issue Tuesday.

TRADES ASSEMBLY TO TALK ABOUT WATER

A regular meeting of the trades and labor assembly will be held tonight, June 13. Dr. J. R. Haigner will be present to discuss the water question and the proposed bond issue. All union men are requested by the trades assembly to attend this meeting and the presentation of this question which is of large importance to the people of Jacksonville. Harker and probably other members of the joint committee on water will speak and an opportunity will be given for the freest discussion of this question.

Itchy Irritations of the Skin

Show Your Blood Needs Purifying

Sluggish, Clogged Up Circulation Causes Skin Eruptions

Eczema is called a skin disease because the little germs which cause the disease set up their colony on some portion of the skin's surface, and here spread their irritation that soon begins to burn like flames of fire.

There are other forms of so-called diseases of skin, such as itchy, boils, pimples, acne, erythema, scaly eruptions, blotches, and rough irritations, that are a source of much pain and annoyance.

And, while these disorders are generally referred to as skin diseases, they are really treatable, and they are never experienced by anyone whose blood is free from impurities. If you are a victim of any form of these painful and irritating disorders of the skin, using, as they do, such constant annoyance, you cannot expect any benefit from the local treatment so generally used, such as ointments, salves, etc. You are simply postponing a cure and adding to your days of

torturing discomfort when you waste time on such remedies applied to the surface. You must reach the cause of the disorder, the actual source of the pain, before you can hope to stop the pain itself. The cause of all of these so-called skin diseases is in the blood, and you cannot reach the blood by external remedies applied to the surface.

Give your blood a thorough cleansing with S. S. S., the great old blood purifier, and you in this way eliminate all impurities which cause skin diseases and other derangements. This is the logical treatment, and it has proven its worth in hundreds of cases because it is a purely vegetable remedy and cleanses the blood of all foreign substances, and fills the veins with a fresh supply of rich and vigorous blood. Go to your drug store and get a bottle of S. S. S. today, and get on the right treatment, and waste no further time on washes, ointments and lotions, that cannot reach below the surface. If your case needs special medical advice, it can be had without cost by writing to Medical Director, Swift Specific Co., 83 Swift Laboratory, Atlanta, Ga.

spent yesterday with people of the city.

Mr. and Mrs. Henry Herman of Valley City were shoppers in the city yesterday.

I. Mr. Osborne had failed to pass a previous examination at his case was reopened with the result indicated.

COMMENCEMENT AT ILLINOIS COLLEGE

Address Delivered By Charles F. Wishart of Chicago—Speaker Told Hearers Service to Others Real Road to Happiness—Diplomas Presented.

A fine appearance greeted all visitors at the Illinois college commencement exercises yesterday morning. The beautiful grove, the platform adorned with boughs and flags of the three allied nations, the beautiful buildings on the campus and the general surroundings contrasted very strongly with the humble beginning made eighty nine years ago, with nine students under the young Prof. Sturtevant in Beecher Hall.

Fine music was provided by the Johnson orchestra and every-thing pertaining to the affair was a grand success. Conspicuously displayed was the honor roll of the soldiers "gone from the college ranks into the service, and the program throught glowed with fervid patriotism.

Dr. Rammelkamp presided and introduced Rev. Percy Epler who offered an earnest invocation. And then came an excellent oration by Miss Lois V. Daniels on the theme, "Fortifying Our People." Of all the addresses, but a short outline is attempted. She said in part:

"Fortifying the People." "The success of principles depends upon the attitude of the masses. The great body of the people are like a mighty glacier, moving slowly but irresistibly. "America is the land of the world into an era of liberty and democracy, and she must be true to her trust. We must give more and more but not altogether of our money. There must also be sturdy adherence to the principles of truth.

"And while we are trying to crush a mighty military aristocracy, we must not forget the higher aims but strive to better mankind. Egotism, militarism and hate are characteristics of the foes the world is fighting."

Art and the War.
Dean Cochran had a fine oration on "Art and the War." He said in part:

"We seek to crystallize in our minds the true purposes of the nation entering into this war. We were inspired by high ideals. Man is intellectually, socially, religiously and aesthetically constituted and each element must have its due attention. "The struggle for freedom to worship God and other liberties has been very great. We must remember that while the means of living are indispensable, while business and arms and many factories are all important, we must at the same time remember that the higher part of life and the soul are not to be neglected.

"Victory will be of but little use to us if we descended to the level of the German nation. We must not forget his high aims but with all our acquisitions and all our wealth and with the victory we hope to receive and all the progress we may make, we must at the same time cultivate the higher and nobler part of our natures and art must not be neglected."

Address By Dr. Wishart.
The chief commencement address was by Rev. Charles F. Wishart, D. D., Second Presbyterian church, Chicago who had as his theme, "Life as Three Poets Viewed It," and his effort was a grand one indeed.

In introducing him Dr. Rammelkamp said the gentleman was a graduate of Monmouth college and of Pittsburgh theological seminary, and when a student had won an oratorical prize in a contest with Illinois college. He is also a member of the combined board of colleges and the board of the education in the Presbyterian church and is a prominent man in many ways. The gentleman said in part:

"I am glad to be back after twenty three years and greet my friends here again."

Browning True Interpreter of Life
"In Pittsburgh I told a friend of the poet Robert Browning, who arose early in the morning and went into the garden to cull the sweetest rose he could find for his wife's eyes to rest upon when she awoke and the man replied with a toss of the head, 'He had better have bought up a hod of coal.' "Browning was a true interpreter of life and held the mirror up to it and his writings show us the heart of the ages. "Another poet, Omar Khayyam, the Persian whose name meant 'tent maker', was aided by wealthy friend, but he was a soul bound by a religious system for he had no Christ to show him the true way. He became a poet to revolt against Mohammed's teachings.

Omar Khayyam Works Destructive
"His works were only destructive and they lay dormant for a long time until discovered by Fitzgerald, who made of them a very fine translation. His words were beautiful but his theme was anything but pleasant and his comments on human life were sad indeed. "He said, 'Have all the fun we can when we are alive, for we are dead a long time.' His ideal was to sit under a tree, have enough to eat, sleep, and take life easy. The pursuit of pleasure destroys the very object for which we seek.

"When I was a boy I hired to a man to pick grapes. He told me I might eat all I wanted and the first forenoon I ate voraciously and the result was that I did not want to look a grape in the face during the rest of the season. My employer knew that would be the way and he did it to save his grapes. I ate grapes but lost my appetite for them.

Serving to Others Best.
"Who ever starts out to do for himself without helping others soon destroys his appetite for pleasure. In the garden of Eden our parents were told to enjoy

whatever they could and merit. But Satan told our mother a different story and she thought she could find a short road to knowledge and her husband fell in with the idea, and we know the result.

"I know a wealthy woman who had too much money for her own good. She traveled far and wide in various continents, seeking pleasure and always missing it, until the past year when she has been a worker for the army and has found, as she has told me, real happiness.

"Kipling will hardly rank as a great poet but the man who could write the Reckless certainly had merit. I saw in Camp Lewis a lot of Cowboys who were rough in their ways but brave and strong, and God help the knifer when he got over them."

"God only planned the battle of the Marne. A nord German said how it happened to turn out as it did was this he said the English were so ignorant that they did not know when they were whipped and were too stubborn to admit it, and so instead of giving up when overcome they kept right on fighting and beat the Germans.

"We shall never get self-development when we work from selfish motives. The noblest aspiration of the soul is when we seek for the good of others. Striving for wealth, position, honor, regardless of the rights of others, is German Kultur."

Germany's Commercial Spirit.
"A committee from this country went over to Germany to seek works of art. The emperor called them before him and asked them why America bought so few works of art of Germany and so many in Paris, and went on to show from the records he had how American tourists and artists spent \$100,000,000 a year in Paris that should be spent in Germany. And one of the staff said the emperor had many more such records, so thoroughly has Germany commercialized everything that is noble and great.

"That which inspires our boys to do their duty abroad is the fact that our flag stands four square to every wind that blows, for humanity and for every noble instinct. We must win in this great war because it is for the highest and noblest and the best in life, and may the blessings of God accompany every effort put forth."

In the list of degrees to be conferred is a new department, "In Their Country's Service," a special diploma given to the young men of the class who have gone with the colors and is a very beautiful tribute, and when Sorgerants Foster, Whistler and Blum stepped up to receive their diplomas the audience arose and cheered them heartily. The following are the degrees conferred:

Bachelor of Arts.
Ruth Mary Badger.
Marion Candace.
Margaret Ruth Chipchase.
Harry Dean Cochran.
Lois Virginia Daniels.
Elzoria Marie Ennis.
Margaret Dorothy Foster.
Pauline Edith Lacy.
Helen Burton Lee.
Paul Murray Leurig.
Marion Janette Miller.
Ernest Calvin Rutherford.
Helen Sidney Stead.
Paul Ferguson Watkins.
Ruth May Weyand.
Clara Bell Yehling.
William D. McCormick, Ex '08.

Bachelor of Science.
Leslie Douglas Erwin.
Karl B. Hill.
Ralph A. Newell.
Harry Dean Pierce.
In Their Country's Service
Homer Bale.
Joseph Hillman Bedale.
Fred John Blum.
Frederic William Bray.
John Robert Deless.
Robert James Foster.
Perry LaRue.
Elmer Joseph Lukeman.
Everett E. Whistler.
Diploma in Music.
Mabel Jane Forrester (Violin).
Ruth Charlotte Irving (Piano).
Ellen McCurley (Piano).
Helen Beatrice Sorrells (Violin).

Honorary Degrees.
Doctor of Divinity
Adelbert Percy Higley, A. B., D.D., College of Wooster.
Percy Harold Epler, A. B. '92.
Honors and Prizes
Final Honors
Lois Virginia Daniels.
Margaret Dorothy Foster.
Ernest Calvin Rutherford.
Harry Dean Cochran.
Clara Bell Yehling.
Leslie Douglas Erwin.
Helen Sidney Stead.
Departmental Honors
Pauline Lacy (In Mathematics).
Harry Dean Cochran (In German).
Clara Bell Yehling (In German).

Preliminary Honors.
Bessie Ruth Campbell.
Percy Harrison Dalgh.
Sarah Helen Taylor.
College Representative in Oratory—Charles Emil Wells.
Hall Prize in Oratory—James Bryan Underwood.
Edward Allen Tanner Prize in Latin—Bessie Ruth Campbell.
Smith Prize in English Composition—Ralph A. Newell.
Smith Prize in Declamation—Joel E. Crouch.
Smith Prize in Sophomore Mathematics—Joel E. Crouch.
Smith Prize in Freshman Mathematics—Howard West Gott.
Homer Vernon Thomson.
Beatrice Robertson, Clarence B. Spaulding, Estell Marion Wells, Robert V. Shoemaker, Bryce Whistler.

"America" was sung by the audience and Rev. W. E. Collins, pastor of the Congregational church pronounced the benediction.

Alumni Business Meeting
The alumni business meeting was held in Sturtevant Hall and was called to order by President A. T. Capps.
J. F. Downing was chosen trustee.
E. B. Hamilton reported what he had done as chairman of the committee to ascertain names,

companies and regiments of Illinois college students who had served in the Civil War and the thanks of the association were tendered the committee.

The thanks of the association were also tendered the alumni committee. The reports of A. D. Fairbank, secretary and treasurer were read and approved.

Election of officers resulted as follows:
President—A. T. Capps.
Vice Pres.—Rev. C. R. Morrison.
Secretary—Treasurer—A. D. Fairbank

ITEMS OF INTEREST FROM WOODSON

Brief Paragraphs Telling of the Doings of Residents of Woodson and Vicinity.

Woodson, June 12.—Mr. and Mrs. Albert Phillips of Murrayville and Mr. Davenport of Jacksonville were guests of Misses Clara and Grace McFarther Monday of last week.

William E. McCurley has purchased the stock of goods formerly owned by Anderson Bros. He extends an invitation to his friends and the public to call on him in his place of business.

Harold Owens of Ceres is visiting his aunt, Mrs. T. M. Whitlock and family.

Mrs. Julia McAllister, Miss Hazel Green, and Mr. and Mrs. Dallas Crain attended the funeral of Mrs. John DePew in Jacksonville Saturday.

Rev. W. H. Oldham filled the pulpit in the Christian church at Ashland on Wednesday evening last week.

A children's day program will be given at the Christian church here on next Sunday morning at 10:30 o'clock.

Mr. and Mrs. T. M. Whitlock and son Raymond attended the

funeral of Mrs. Whitlock's grandfather, George Grayne, near Roodhouse Monday. Mr. Grayne was in his 91st year. He leaves a wife who is in her 90th year.

Mrs. George Barnes, Mrs. Ella Heaton, Mrs. Nettie Blackburn and son all of Roodhouse motored to this place in the latter's car Sunday and were guests of Mrs. Emily Anthony and daughter, Miss Nina.

William Rook made a business trip to St. Louis Monday.

Mrs. Wallace Carter of Jacksonville visited relatives and friends here Sunday.

The children taking part in children's day exercises at the Christian church are requested to meet Friday evening at 8 o'clock for rehearsal. Also, to meet for the rubber social immediately after rehearsal.

Mr. and Mrs. Earl Sorrells and family are occupying their new home purchased recently from the Southern Texas Land company, formerly owned by Anderson Bros. Mr. and Mrs. Earl White

of Jacksonville will move to the residence vacated by Mr. Sorrells on his farm near here. The Anderson brothers have moved to a residence in the south part of town owned by Mrs. Lucy Grundler.

Miss Bertha Dunlap of Jacksonville is visiting friends here.

FUNERAL SERVICES FOR HENRY H. KNOLLENBERG

Services held at residence Wednesday afternoon—Sermon by Rev. Myron L. Pontius—Odd Fellows in Charge at Grave.

Funeral services of an impressive character were held for Henry H. Knollenberg from the family home, 860 South Main street Wednesday afternoon at 3 o'clock in charge of the Rev. Myron L. Pontius, pastor of Central Christian church. Dr. Pontius delivered a splendid discourse in which he brought out the outstanding characteristics of Mr. Knollenberg's life.

Dr. Pontius took his text from Psalm 17:15, "I shall be satisfied when I awake in thy likeness." He said in part:

"The Psalmist had passed thru all the varied experiences of an eventful life. He had been on the mountain top and in the valley; he had experienced victory and suffered defeat; and after passing thru these life experiences he declared that there was no abiding satisfaction in material things. Then he ascended to spiritual heights and declared, 'I shall be satisfied when I awake in thy likeness.'"

"While the Psalmist's statement is true yet there are certain things which bring some degree of satisfaction in this life. Mr. Knollenberg must have experienced satisfaction in coming as a boy to this land of liberty. Here finding conditions which would assist him in calling forth his latent power. We find some splendid reasons for comfort in the remarkable life which he lived."

Life was Exemplary.
"Mr. Knollenberg was an exemplary husband. For many years good influences emanated from this Christian home. Only a decade ago his worthy companion was called to the higher life."

"Mr. Knollenberg was a good father. No person who has known this man can doubt this fact. Further testimony is furnished in the fact that his children cared for him so well during his last illness."
"Mr. Knollenberg was an ideal business man. All who had dealt with him testify to his honor, honesty and integrity. Many a person here today bears testimony to the sterling character he gave into his business life and experience."

Was Sincere Christian.
"Mr. Knollenberg was a sincere Christian. During the long, cold winter he was interested in the poor. He gave me money requesting that I use it in purchasing necessities for families in distress. This was characteristic of his life. A man's love to God is indicated by his interest in his fellowmen. And a true interest in humanity manifests itself in service. Doubtless he found satisfaction in his life of service and his labor of love. But like the Psalmist he

understood that real satisfaction comes to the human heart only after a well lived life the individual awakes in the likeness of his maker."

At the grave the funeral service of the Odd Fellows was given with Arthur Cobb acting as Noble Grand and C. O. Bayha as chaplain.

There were many beautiful floral offerings and these were cared for by Mrs. O. I. Milburn, Miss Nora Dunlap and Miss Florence Lorr.

Burial was in Diamond Grove cemetery. The honorary bearers were Alexander Armstrong, James Cruse, A. R. Gregory and John Minter, all Odd Fellows for fifty years and who together with Mr. Knollenberg had received the veteran's jewel. The active bearers were C. A. Johnson, P. V. Coover, Thomas Duffner, Dr. A. R. Gregory, Jr., Joseph Shreve and Oran H. Cook.

NINE MEDICAL MEN ASKED FROM COUNTY

Letter From State Medical Society Gives Facts About Morgan County Quota—Appeal Is Urgent.

Dr. Walter L. Frank, as secretary of the Morgan County Medical society, has received the following letter from Dr. W. H. Gilmore, secretary of the Illinois State Medical Society, indicating that this county is expected to speedily furnish nine additional men for the medical reserve corps. The county is already credited with six physicians and is to now furnish nine more by July 1. The communication of the subject reads as follows:

Mr. Vernon, June 10, 1918.
Illinois State Medical Society,
Walter E. Frank,
Dear Doctor:

As you probably know Illinois is expected to furnish 300 men for the medical reserve by July 1. In my report at the state meeting I gave the number each county was expected to furnish. 20 per cent of the entire medical population of the county. The need of these men is now urgent and it is hoped that your society will be able to come to some agreeable plan by means of which you can be able to secure your quota. You have already credited six men and will be expected to furnish nine more. Kindly take this matter up with your society at once so that Illinois may have her full quota by July 1.

W. H. Gilmore, Secy.

WEDDED AT HOME IN MAINE.
A number of Jacksonville people have received announcement of the marriage of Miss Phyllis Corinne Macomber to Mr. George Elsie McFarland. The ceremony was solemnized Saturday, June 1, at the family home in Ellsworth, Me. Mrs. McFarland has for several years been instructor at the State School for the Deaf.

LOCAL BOARD MUST LOOK OUT FOR IDLERS

Men in Non Useful Occupations Are Also to Have Attention—Rules Just Issued by Provost Marshal General.

President Weir and members of the local board of Morgan county are in receipt of a recent pamphlet of selective service regulations indicating the procedure necessary with reference to registrants who are idle or who are engaged in occupations accounted non-productive. By these regulations responsibility for the conduct of these men is placed upon the local board and all citizens are required to make this a matter of concern and to report to the board any cases which come under their observation.

Rules Soon Effective.
The rules will be effective July 1st whereby an idler or a person engaged in unnecessary employment must be notified to appear before the board and present reasons for his action. The day set for the hearing shall not be less than three nor more than seven days after the date of the notice sent. The authority of the local board extends not only to men in their own jurisdiction by original classification but to men found in their jurisdiction who are idlers or engaged in non-productive work. Such a registrant who has been summoned to appear shall have the proper opportunity for presenting any evidence in his defense. After the hearing has been held the local board, after making its finding shall report the facts to the district board.

If registrants summoned and examined are found to have deferred classification they are to be moved forward to class 1 and sent as speedily as possible into military service. The registrant cannot be inducted until after the district board has passed upon his case. If the action of the local board is sustained the registrant will be immediately inducted into military service as the class and order number has been reached. All cases of deferred classification and other action taken with reference to such registrants must be reported to the district board. The purpose of the order is evidently to cause the idle to work and those who engaged in non-useful occupations to seek other employment.

Non Productive Occupations
The list of non-productive occupations includes:

- (a) Persons engaged in the serving of food or drinks in public places.
 - (b) Passenger elevator operators and attendants, door men and footmen and other attendants of clubs, hotels and apartment houses.
 - (c) Ushers and attendants at games, sports and places of amusement.
 - (d) Persons employed in domestic service.
 - (e) Sales clerks and other clerks employed in stores and other mercantile establishments.
- The regulations are explicit and comprehensive and it is very evident that their enforcement will mean a great deal of additional work for an already busy board. Men of ages ranging from 31 to 45 are also placed under jurisdiction of the board in the matter of employment.

HOWARD ZAHN SELLS 70TH CAR TO MISS ALICE RICHARDSON

Miss Alice Richardson of the Point has bought of Howard Zahn, distributor of the Buick and Oldsmobile cars, number 70, and will ride in comfort hereafter.

CHES DAVIS HAS GOOD SHOW

The Ches Davis show which is appearing this week at the Grand is being greeted by large audiences at every performance. The company is one of the best that Mr. Davis has ever presented to Jacksonville. There are good and interesting meetings with great favor. Owing to the draft Mr. Davis is having trouble in keeping his company intact. Two of the present company are soon to be called into active service. However, Mr. Davis hopes to be able to secure first class talent but says he is ready to furnish his entire company to Uncle Sam if it is needed. The company presents a new bill each day.

AERONAUT RADER'S DEATH HAS LOCAL INTEREST

The tragic death of Philip D. Rader at Buffalo, New York, this week, has local interest from the fact that he was the son of the late Paul Rader, who recently conducted meetings in the St. Louis Coliseum. Young Rader was engaged in newspaper work in San Francisco previous to going to the front in 1914 and enlisting in the Royal Flying Corps. He sent his wife and son to White Hall, Ill., name being Miss Elsie Nell, and up to little more than a year ago the letters from Rader to his wife were eagerly sought as among the best expositions of conditions in the fighting zone, being really the first direct communications from the front. He returned to America last year to become an instructor in aviation, and his wife joined him in San Francisco.

PERFECT SCORES IN STATE TOURNAMENT

F. Ragel Wins 18 Yard Handicap With Fifty Breaks.

Peoria, Ill., June 12.—F. Ragel of Westville won the fifty target 18-yard handicap for amateurs at the Illinois State Tournament held here today with a perfect score. A. Killam of St. Louis took the championship among the professionals with 49 breaks.

J. Scott of Wyoming and C. M. Powers of Decatur tied in the 50 target Jefferson Hotel handicap, both shattering 50 straight targets. In the shoot-off they again tied with 23 breaks, but in the second attempt Scott hung up a perfect score and Powers missed a pair.

J. Stauber of Streator led the amateurs in the morning 100 target practice event with 99 breaks and J. R. Graham of Long Lake topped the professionals with a perfect score of 100.

JULY CALLS FOR MEN INTO ARMY LIKELY

Local Board Receives Telegram Asking About Men Available After Present Call for Men Has Been Met.

The local board has received from the adjutant general's office a telegram asking data with reference to the number of class 1 men available for military service after the June call has been filled. The tenor of the telegram indicates the government's expectation of additional calls of men into the service during the month of July.

Many people had thought that the heavy call of 400 from this county for this month would probably relieve the county from furnishing additional men for some time to come, but quite evidently the government is now going to take men into the service with a rapidity not approached in previous months. The board in answering this telegram indicated that all class 1 white men will be taken in the June call, although 59 colored men remain in this class. The telegram from the adjutant general and the one sent in answer are quoted herewith:

Request for Information.
Springfield, Ill.
4:55 p. m., June 11, 1918.

Miller Weir,
Morgan County Exemption Board,
Jacksonville, Ill.

It is important you advise by immediate wire how many Class One general military service men you will have left after filling the June call, from which you can fill calls to be made in July. In answering this question you will not include delinquents, emergency fleet live, men held for limited group, the number of men inducted from your board since Dec. 15, 1917, or the number called from your board who have not yet been inducted or entrained. In other words, desire to know how many men, not including delinquents and others listed above, you will have left in Class one for general military service subject to call after you have filled your June call. In answering this question please report separately white and colored.

Dickson,
Adjutant General.

The Board's Answer.
Jacksonville, Ill., June 12, 1918.
F. S. Dickson, Adjutant General,
Springfield, Ill.

Telegram of June 11 received. Our June call for four hundred men will exhaust class one of white men. Fifty nine colored men will be left in Class One.

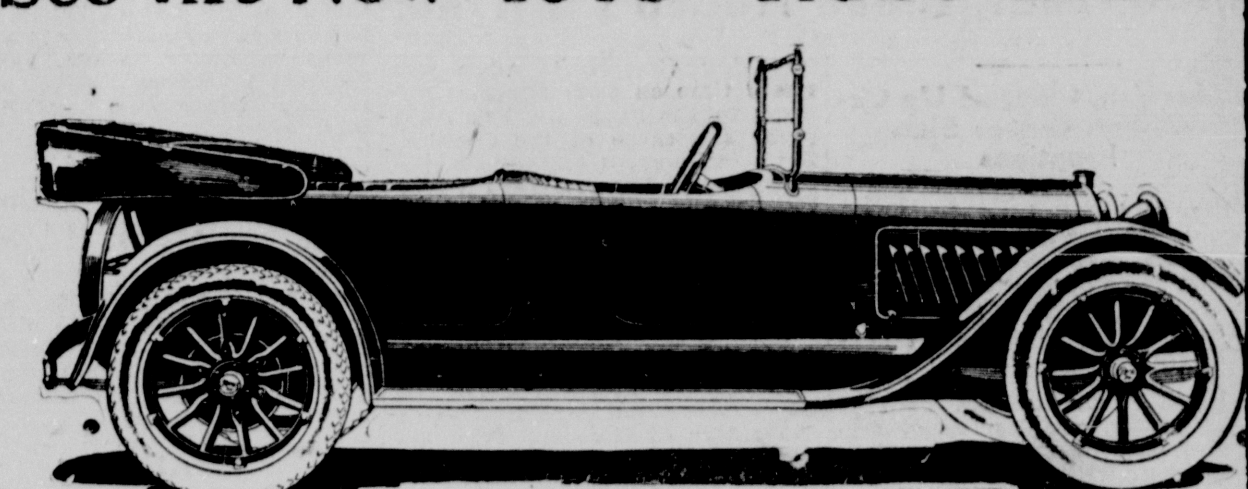

Local Board Morgan County.
Weir, Chairman.

Waives Classification.
Roy M. Stice of Ashland has waived classification 3-J and requests that he be sent to Camp Taylor with the June quota of men.

Annual Statement by President Rammelkamp of Illinois College

The colleges and universities of the United States are facing a serious period of uncertainty and readjustment. It is somewhat difficult in such a time of stress and strain to make the usual report of the ordinary activities of the year. However, in spite of the fact that our colleges have sent a large proportion of their young men into the service, in spite of the many vacant seats in the class rooms, these institutions of learning have continued to fulfill their high and sacred duty of training our young men and women for the leadership of the nation. Therefore in war as in peace, I invite your attention to the record of the year.

We welcome to our Board of Trustees two new members—David W. Fraughton and Frank Ramsey Elliott. Mr. Fraughton is an alumnus of the class of 1894 who after several years of banking experience in Petersburg, Illinois, is now Secretary-Treasurer of the Chandler and Price Printing Press Company of Cleveland, Ohio. Mr. Elliott, born in our own city, attended Illinois College for a time and later became an alumnus of Princeton University. He now holds the position of Treasurer of the Chicago Trust and Savings Bank of Chicago. Both men, we feel confident, will bring to the service of the college not only an intelligent appreciation of college problems, but enthusiastic loyalty and valuable assistance in the business affairs of the institution. The friends of the College will also be pleased to know that the alumnus have nominated and the Board has elected Mr. J. P. Downing '79 as alumni trustee.

College Faculty and Work of Instruction.

Considering the general conditions created by the war and its disturbing effect on all colleges and universities, our work of instruction has proceeded in a very encouraging manner. A year ago when the United States entered the war, there occurred a sudden and serious interruption of college studies. Students were aroused; large numbers of them left to enter military service or to engage in farm work, and those who remained behind were in no mood quietly and effectively to pursue their studies. The result was a general demoralization which made the last two months of the previous year of little account for serious study. No such interruption has occurred in the work of the present year.

Most of the students who entered college in the fall had carefully considered their duty and decided their course of action for the year. Therefore the proportion of students who dropped out during the year was not much greater than occurs in normal times. Students, however, were not so numerous as in previous years.

EASY FEET EASY MIND

Keep your feet in good condition and you will be surprised how much clearer your mind becomes.

Corns are troublesome and nerve-racking. You can get rid of them by using **Gould's Liquid Corn Remover**.

No danger of blood-poisoning, no dangerous knives to use, but on the other hand a safe and easy way of getting rid of all kinds of corns and callous flesh.

Simply try this liquid corn remover and you will be delighted to see your corns leave you in a few days' time.

Biology 35.5
Classics 19.0
Education 18.0

In Illinois College, as in all other colleges, there has occurred a noticeable decrease in the registration in German and an increase in French. The following are the figures representing the average registration for the two semesters:

German French
1916-17 97 48.5
1917-18 61 73.5

There can be no question, of course, of the continuance of German in the college curriculum. Whatever may be the wise policy for public high schools to follow, continued in our college. This is the opinion of the government, as expressed by the United States Commissioner of Education, and I see no reason why we should not follow that advice.

Conservatory of Music.

The friends of the college will be pleased to learn that there will be no change on the Conservatory faculty next year. Notwithstanding the war, the Conservatory had one of the most successful years in its history and our thanks, as well as our congratulations, are due Director Kritich and his able colleagues. As I remarked in the report of last year, we have grown accustomed to expect good things from the Conservatory of Music.

Whipple Academy.

It will be remembered that we are in process of reducing the length of the Whipple course. By action of the trustees the first year of the Whipple course has been dropped this year and the second year will be omitted next year. As previously explained, the continued improvement of the public schools of Illinois has made it unnecessary to continue the full preparatory course. It is our present intention to drop all except the work of the last year, so that eventually the College will maintain simply a sub-freshman class. Of course, Whipple hall will always remain as a memorial to the generous friend, Dr. Samuel L. Whipple, whose munificence made it possible to construct the building and maintain the full preparatory course in the days when such a policy was necessary.

Twelve students were graduated from Whipple Academy this year. Mr. J. P. McCoy, the present principal, will continue in charge of the department next year.

Academy Hall.

Miss Margaret Rugh, head of Academy Hall, was obliged, on account of illness to resign her position in the middle of the present school year. The trustees appointed as her successor, Mrs. Jeannette L. Ogden, who was formerly served as matron of the girls' dormitory in Monmouth College and who more recently has had experience with the Eleanor Clubs in Chicago and the Metropolitan Hospital in New York City. The fact that in spite of the high prices of food products, the Hall will probably close the year without a deficit is ample evidence of the efficient management of the Hall by both Miss Rugh and Mrs. Ogden. I am pleased to announce that Mrs. Ogden will remain in charge of Academy Hall during the next year.

Students.

In common with all colleges and universities in the country, we have experienced a considerable decrease in attendance. The total registration in the college department this year was 160 as compared with 191 in the previous year, the registration of men being 95 as compared with 133 in 1916-17. It will, therefore, be noted that there is a decrease of 16 per cent in general attendance and 28 per cent in the attendance of men. The only department which shows an increase in students is the Conservatory of Music. Of course, with the dropping of a year in the preparatory course, it was to be expected that Whipple Academy would show a decrease in attendance.

The war has naturally modified our student activities. Athletic sports have been continued but in a somewhat different spirit than in normal times. We had the usual intercollegiate football games in the fall and the intercollegiate basketball in the winter, but this spring there were no intercollegiate baseball games and only one intercollegiate track meet which was that of the "Little Nineteen Conference." In place of the usual form of athletics for the intensive training of intercollegiate teams, we introduced this spring a system of interschool or intraschool athletics. The students took a keen interest in the new system which, of course, gave a much larger number of them an opportunity to participate in the sports. Personally, I very much hope that the system of intramural athletics will be continued after the war. One of the most justifiable criticisms made of the old system of intercollegiate athletics is the argument that it cost too much at the expense of the many. The new system is in every way a much saner and better scheme of college athletics; it encourages those to take exercise who most need it and the inter-

sive intercollegiate rivalries with their heavy expenses and occasional temptations to questionable practices are avoided. That the system of intramural athletics may produce good results is evident from the fact that the Illinois College track team developed by this system, won the intercollegiate meet at Peoria this spring.

We had the usual intercollegiate debates during the year, and the literary societies have continued their work with a fair degree of interest and success. However, the dramatic activities of our students so keenly and successfully pursued before the war were practically dropped this year. The religious associations on campus have continued their work with more than the ordinary interest. I mention with special regard the intercollegiate religious service held during the winter under the joint auspices of the A. Y. C. and the Y. M. C. A. and the Devotional Association. The speakers at these meetings were the Reverend Adelbert P. Hiley, D. D. of Cleveland, Ohio, who by his personal personality, the example of his own Christian character and the convincing force of his message, drew to himself to our whole college community. It is doubtful whether we have ever had a speaker of such caliber. His help has been in our effort to attain the ideals of a sound Christian citizenship.

The women of the college have continued their efforts on behalf of the World War Relief Fund. An association known as the Woman's Relief Fund Association has been organized and it is evident that our girls and their friends are determined to continue this effort until a woman's building is secured for the campus. About \$200 has now been subscribed towards this fund, which amount will be turned over to the American Red Cross. I also mention with great pleasure the publication of "The Hill," an alumnus magazine, edited by one of its kind, as far as we know, ever published by the students of the college. The war activities of the students will be mentioned in another connection.

ALUMNI.

The alumni and former students of the college continue to manifest that warm interest and loyalty which have meant so much to the college since its Alma Mater in these recent years. The Alumni Fund is steadily increasing. The annual fund of the Alumni Fund Association published last fall showed a total subscription of \$1,000. The fund of the Alumni Fund Association published last fall showed a total subscription of \$1,000. The fund of the Alumni Fund Association published last fall showed a total subscription of \$1,000.

What effect the war will have on the college next fall year is, of course, difficult to forecast. There will be a further decrease in attendance seems inevitable, both the spring and the fall. It is probable that a large number of our students will voluntarily enlist in the military service before they reach draft age, and that a large number of our students will be called into the service by the government. The government has asked that students who can possibly do so should continue their education until they reach the age when the government will call them into the service. I wish to let these officials themselves know that we are doing our best to see that the great need of a continued supply of trained leaders for both a long war and the long period after the war is met. The government has asked that students who can possibly do so should continue their education until they reach the age when the government will call them into the service. I wish to let these officials themselves know that we are doing our best to see that the great need of a continued supply of trained leaders for both a long war and the long period after the war is met.

MEMORIAL SCHOLARSHIP FUND.

With the cooperation of the Mr. Williams and the other scholars, the college has been able to secure a great many worthy young men and women in their effort to secure a college education. From the proceeds of the Williams Fund 25 students including 51 men and 27 women were aided during the year. The total amount of money distributed in these scholarships during the year amounted to \$4,945.00, an additional \$200.00 has been received from gifts from other funds. It will, therefore, be noted that the college continues to perform a great service for those who could not secure a college education without some financial assistance.

FINANCES.

The friends of the college will probably be surprised to learn that in spite of greatly reduced income on account of the war, the year has been closed without a deficit. At any rate, I am sure the trustees are surprised to get away from their annual meeting without an urgent appeal for contributions to a deficit fund. The balance for the year is about \$900, although this estimated amount probably is somewhat reduced by later necessary readjustments. Our experience must be almost unique among the colleges and universities of the land. However, any satisfaction or pride which we may feel over the financial outcome of the year is considerably modified by the knowledge that members of our faculty are serving under salaries that are inadequate to meet the living expenses of these times. I am glad to say that our trustees regard this matter as the most serious and urgent problem facing the college, and they will do their best to remedy the situation.

The college now has total assets amounting to nearly \$750,000, without taking account of the Williams Scholarship Fund. The total amount of the fund, the assets will amount to nearly \$1,000,000. Of this sum the endowment, including the Williams Fund, amounts to about \$600,000. It will be noted that the endowment is being maintained in excess of the plant and equipment assets—a circumstance which helps to explain in part the sound financial condition of the college. I must remind the friends of the college that before the war, we set ourselves the task of raising a new fund of \$300,000, of which \$250,000 is to be devoted to a new library building. Although the war has called a halt to the vigorous prosecution of that campaign, the effort has in no sense been abandoned. The new fund amounting to present cash and subscriptions to about \$25,000. Subscriptions in varying amounts are constantly being added, and as soon as general conditions warrant it, a more strenuous effort will be made to complete the fund.

Among the endowment records of the year we mention with special appreciation the following: S. R. and E. T. Capper Fund, \$100.00; President E. T. Capper Fund, \$50.00.

Pro. and Mrs. H. W. Milligan
Fund 250.00
Alumni Fund 1,000.00
Thomas L. Fansier Fund 1,000.00
Estate of Emma Capps 100.00
Miscellaneous 50.00

THE COLLEGE AND THE WAR

Some of the facts showing the relation of the College to the war have already been presented, among them the effect of the war on the present attendance and work of instruction. According to the federal Bureau of Education, here in the spring of 1917, 91 per cent are now in the service. Furthermore, it deserves to be noted that one of our young women, Miss Helen Carter, is with the colors in the Red Cross service. It has not been for the patriotic devotion of its young men the present senior class would probably have been the last to graduate from the college. Nine of the young men of the class sacrificed their diplomas in the service of their country. Altogether twenty six of its members are with the colors. All honor to the men of 1918 and the college who are helping to defend our lives and the life of our country against the greatest danger that has ever threatened us.

While we give the largest need of service to the young men who are fighting themselves if need be for the supreme sacrifice, we would also mention with some of the other efforts which are being made to assist some of the great war causes. Special war courses have been added to the college curriculum, among them the following:

(1) First Aid to the Wounded.
(2) Dietetics.
(3) Food Conservation.
(4) Military Training.
Furthermore, students and faculty of all departments have given generous aid in the various financial contributions of the college community to the Army Y. M. C. A. and the Red Cross. Over \$100,000, each case, not to speak of a 100 per cent record in the purchase of War Savings Bonds. When the modest salaries of our faculty members and the moderate means of nearly all of our students are considered, these contributions are indeed generous. In addition various members of the faculty have rendered service on important war work committees. Professor Ames of the English Department has devoted much time to this war work at present in this important matter of the County War Savings Stamp Committee. By consent of the trustees, the Board of Directors has elected as chairman of the County Y. M. C. A. War Fund Committee, and the Board of Directors of the Morgan County Signal School. Several other members of the faculty have served on various other war work committees.

What effect the war will have on the college next fall year is, of course, difficult to forecast. There will be a further decrease in attendance seems inevitable, both the spring and the fall. It is probable that a large number of our students will voluntarily enlist in the military service before they reach draft age, and that a large number of our students will be called into the service by the government. The government has asked that students who can possibly do so should continue their education until they reach the age when the government will call them into the service. I wish to let these officials themselves know that we are doing our best to see that the great need of a continued supply of trained leaders for both a long war and the long period after the war is met. The government has asked that students who can possibly do so should continue their education until they reach the age when the government will call them into the service. I wish to let these officials themselves know that we are doing our best to see that the great need of a continued supply of trained leaders for both a long war and the long period after the war is met.

DO MOTHERS ERR?

When we hear of so many school girls and girls in stores and offices who are often totally unfit to perform daily duties because of some derangement peculiar to their sex, might this not have been prevented by the mother who, perhaps through neglect or carelessness, failed to get for that daughter the one great root and herb remedy for such ailments, Lydia E. Pinkham's Vegetable Compound? This old-fashioned medicine is said to have alleviated more suffering of womanhood than any other remedy known to medicine.—Adv.

CIRCUIT COURT NEWS.

In the circuit court yesterday Judge Jones after hearing the evidence, granted a divorce to Mrs. Leake Clayton, who is seeking separation from her husband, Robert Clayton. Cruelty was the charge made.

Judge Jones heard testimony in the partition proceeding of W. C. Headen vs Robert Headen. The phase of the case before the court was on motion of Dean Hill, master in chancery of Logan county, who asked that the proceeds from the sale of lands belonging to the estate of the late Mrs. Mark C. Coen, one of the heirs, be paid to Mr. Coen as administrator. Mrs. Coen died in California and it seems that under the California law one half of the money due from the Headen estate would be paid into her own estate, as she died without children, and that under the Illinois law the entire sum would be paid.

No decision was given but Judge Jones indicated that in his opinion it would be proper to take no special action at this time and allow the money to be paid by the master in chancery when the report is finally confirmed to whatever party under the law is entitled to the payment.

Special attention is called to the patriotic address to be made by **Serg. George Campbell of the 6th Canadian Field Gun Corps at Elks flag day exercises June 14th at 7:30 p. m. at the Christian church. You cannot afford to miss it. Twenty-two months at the front. Admission free.**

MAYS ALLOWS SOX BUT THREE HITS

Chicago Pitchers Hit Hard By Boston, Losing 7 to 0—Washington Scores Six in Ninth—Other American League Games

Chicago, June 12.—Mays held Chicago to three hits today while Boston lunched hits off the local trio of pitchers, Danforth, Benz and Wolfgang, and won an uninteresting game 7 to 0.

Harry Hooper newly appointed captain of the Boston club, who succeeded Dick Hoblitzel, who has been commissioned a lieutenant in the dental corps of the army, made four of the visitors' hits.

CUBS' WINNING STREAK BROKEN BY GIANTS

Tyler Loses Pitchers' Battle 1 to 0, Allowing But Two Hits—Boston Defeats Pittsburgh
New York, June 12.—New York broke Chicago's winning streak here today, Perritt defeating Tyler in a pitchers' battle by a score of 1 to 0. The only run was scored by Burns in the first inning when he received credit for a home run when Flack slipped on the wet turf in fielding his ground hit. The Cub pitcher did not allow a hit after the second inning.

Summary:
Two base hit—Mann. Home run—Burns. Stolen bases—Flack, Kauff. Sacrifice hits—Paskert, Hollenhorst. Double play—Fletcher, Holke. Left on bases—New York 3; Chicago 7. First base on errors—Chicago 1. Bases on balls—off Perritt 2; off Tyler 2. Hit by pitcher—by Perritt 1 (Killifer). Struckout—By Perritt 2; by Tyler 4. Wild pitch—Perritt.

Boston Wins 1 to 0
Boston, June 12.—Fillingim pitched Boston to a 1 to 0 victory over Pittsburgh this afternoon, holding the visitors to three hits. He was given remarkable support by Herzog, Rehr and Powell. A base on balls to Rawlings in the first inning, Herzog's sacrifice and Powell's single scored the only run. Boston jumped to fourth position in the league standing as a result of the victory.

MORGAN COUNTY FARMER'S CLUB NOTES

(By George B. Kendall, County Agent)

Wheat Rust
H. W. Anderson, a specialist in plant diseases, from the U. S. department of agriculture, inspected the barberry bushes in Jacksonville and vicinity for the spores of wheat rust on Tuesday afternoon. Only one infected leaf was discovered. In the northern part of the state badly infected bushes have been found. A leaf from one of these was recently sent to the county agent. Any one interested may see this leaf by calling at the county agents office in the court house.

Poultry Specialist
D. T. Heimlich, special poultry representative of the U. S. department of agriculture, accompanied the county agent in visits to the members at Sindlar and Murrayville. Mr. Heimlich is interested in securing local poultry leaders, who will co-operate with the U. S. department of agriculture in increasing poultry production.

Canning Demonstrations
The Household Science department of the University of Illinois offered to give canning demonstrations in various parts of Morgan county under the direction of the Morgan County Farmers' club. That department has suggested the dates June 24th and 28th, at the time may be changed to a later date.

Volunteers for Farm Work
There was a time when the town man was afraid of losing social standing by going out for farm work during vacation. That time is past. The city man in overalls and jumpers putting up hay or shocking wheat is no longer ashamed to be seen by his friends spinning by in autos. Today the American farms are the last line of trenches. The man in work clothes helping with the farm work is backing up the boys in France. Do not be afraid to get into the game.

Co-operation of City Officials Promised
The mayor, the president of the Chamber of Commerce, and the chief of police have assured the county agent of their co-operation in securing help for the farm. The county agent is no alarmist. He sincerely believes the men on the farm need help. Last Saturday he had requests for farm help and no help to give. If men will volunteer for this work, he will get them jobs with good men at good wages. This appeal is meant for you, not the other fellow. You can go to and from work in automobiles if you really want to work.

Sheep Killing Dogs
As some inquiries have been made concerning the sheep owners' rights, it seems advisable to state briefly the Illinois dog law. It is as follows:
In Illinois dogs are listed by the county assessors and taxed as other personal property. The assessor issues tags to be worn by dogs for which license is obtained. Males and spayed females are taxed \$1 and unspayed females \$3. City councils are also empowered to tax dogs and restrain them. Sheep owners may put poison on their farms for sheep-killing dogs. Owner of a dog is liable for all damages to sheep and if damages do not exceed \$200 they may be recovered before a justice of the peace. Dogs discovered in the act of chasing sheep or in a condition showing that they have recently been engaged in chasing or killing sheep may be immediately killed by anyone. Moneys collected from dog taxes are used to pay for damages done to domestic animals by dogs. The owner of the sheep who suffer damage appears before a magistrate and makes affidavit as to the extent of his losses. The proof of damages must be made by at least two witnesses who are freeholders of that county. Recovery of damages from the county is possible only when the dog owner is unknown or is insolvent, but the payment of damages by the county does not bar the sheep owner from recovering damages from the dog owner. The amount of damages paid by the county shall not exceed \$10 per head for sheep killed or injured. A later amendment makes this amount \$15 instead of \$10.

Overland Berger-Pine Co. sold yesterday and delivered to a prominent business man of Jacksonville (name withheld), a 7 passenger Willys Knight car. This is his second Willys and he thinks there is no better car made.

J. D. G. Hill of Lincoln was called to the city on business yesterday.

Banish That Backache

Many persons suffer with backache every morning. They think maybe they have lain in a cramped position or else got a little cold. More than likely the backache is due to their kidneys and the timely use of Foley Kidney Pills is just what is needed for quick relief.

Mrs. J. D. Miller, 601 Gifford street, Syracuse, N. Y., writes: "I suffered with kidney trouble and rheumatism. I had a severe backache and felt miserable and all played out. I bought some of Foley Kidney Pills and after taking two bottles, I can say my backache is gone, and where I used to lie awake nights with rheumatic pains, I can now sleep in comfort. Foley Kidney Pills did wonderful things for me, and I recommend them to all my acquaintances and friends."

For backache, lame back, stiff swollen joints, rheumatic pains, headaches, and nervousness due to kidney disorders, Foley Kidney Pills are quickly effective, tonic, and most satisfactory in results. Try them. J. A. Obermeyer, City Drug Store—Adv.

NAPLES COUPLE ARE MARRIED AT BLUFFS

Carl Ritter and Miss Beulah Hatfield Married at Home of Groom's Sister Tuesday—Groom Soon to Enter Service of Uncle Sam.

Bluffs, June 12.—Carl Ritter, son of Mr. and Mrs. John Ritter, of Naples, was united in marriage to Miss Beulah Hatfield, also of Naples, at the home of his sister, Mrs. John Pine at 11:30 o'clock Tuesday, the Rev. George Haas of Naples, officiating.

The groom is one of the most popular young men in Scott county and for a number of years has been an earnest worker in the church and Sunday school and for the past two years has been the county Sunday school superintendent and is also a Y. M. C. A. worker and is ever ready and willing to undertake any line of work for the advancement of the cause of Christ. For the past eight years he has been connected with the elevator at this place and which position he has resigned to respond to his call to the colors which will occur the latter part of June. The bride is the daughter of Mr. and Mrs. Kenneth Hatfield of Naples and the school mate of the groom. She is one of Naples' most popular and prominent young ladies and for the past two years has taught in the public school of this place where she has the respect and esteem of all with whom she has come in contact. The bride was neatly gowned in white voile with lace trimming while the groom wore a suit of light grey. Those present were Rev. and Mrs. George Haas, Mr. and Mrs. John Ritter, Mr. and Mrs. Kenneth Hatfield and daughter, Miss Lela, Will Gregory and Miss Mary Ohler of Naples; Mrs. Mary McCaleb and daughter, Miss Vera; Supt. and Mrs. R. L. Newnam, Mrs. James Hamilton, Bluffs; Mrs. William Pine, Okmulgee, Okla.; and Mrs. Minnie Pine. After the ceremony the guests retired to the dining room where a dainty and delicious luncheon of sandwiches, cream and cake were served by the hostess, Mrs. Minnie Pine.

The happy couple left immediately after luncheon for Jacksonville where they left on the C. & A. for Chicago, Detroit, Mich., and points of interest in Canada. The people of Bluffs extend their heartiest congratulations to the young couple and as he leaves soon to enter the training camp may they again be reunited and may the war speedily end.

ALLEN C. SMITH WILL RIDE IN NO. 73 OF ZAHN

Allen C. Smith of the west part of the county decided horses were too slow for him and so he bought of Howard Zahn, agent for the Oldsmobile and Buick cars, number 73 which is a fine car and will take him about all right.

H. H. Gruenwald of White Hall was attending to business matters in the city yesterday.

Mr. Robert Williams, Gales' No. 1, Mo. December 27th, 1917.

Dear Sir:
You are right when you say in yours of December 24th that Senreco is a remarkably good tooth paste and that it has a strong story to tell, but the difficulty lies in putting that story in such language as will convince the public.

The Senreco story of a medicinal paste that not only cleanses the teeth but also keeps mouth and gums healthy, when put on paper does not sound very different from the story of just any ordinary dentifrice.

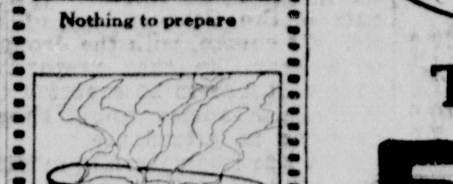

For that reason we make every effort to get the people to try Senreco. After that Senreco tells its own story - and fully 90% of them are Senreco users and boosters from then on.

There is a Senreco user in Pittsburgh who has introduced our product into the families of thirty-four of his friends. Enthusiasm? No, not entirely. Simply a case of Senreco making good. It is just as stated above. If they will try Senreco - if they once become acquainted with a real dentifrice - with what a dentifrice can and should be - they are Senreco boosters from that time on.

Your druggist or toilet counters can supply you with Senreco. It comes in large, two ounce tubes and retails at 25¢.

Why not get a tube to-day? Try it. We stand behind every package of Senreco with a money-back guarantee.

Very truly yours,
SENRECO, CINCINNATI.

Paramoid Tires for The greatest efficiency and durability. Every ounce of fabric guaranteed best long-staple, sea-island cotton. Every ounce of rubber guaranteed new fresh stock. The durable, wear-resisting qualities built into this tire, combined with manufacturer's knowledge of the motoring public's requirements, produces one of the best tires on the market today. Since the beginning of their manufacture nearly 10 years ago, they have always delivered a full measure of satisfaction to the user.

Illinois Tire & Vulcanizing Co. (Your Money's Worth Or Your Money Back) 313 W. State St., Opp. Court House Bell Phone 133 Illinois Phone 1104 WHOLESALE AND RETAIL

United States Tires are Good Tires. Illustration of a car on a road with a large tire in the background.

War Has Multiplied the Value of Good Tires. Never were cars so necessary—both in business and domestic life. Never was their continuous and economical use so imperative. Never was freedom from tire trouble and tire expense so absolutely essential. The rapidly growing demand for United States Tires prove their war-time worth. Thousands of motorists each week are turning to United States Tires to get dependability and economy. United States Tires last longest and carry you farthest at least cost. They enable you to make the most of your car—passenger or commercial—now, when it is more than ever a vital war-time necessity. There is a United States Tire for every possible need. Our nearest Sales and Service Depot will tell you which ones you should have.

SKITCH LAUNDRY FLAKES Does Your Washing. SKITCH is not a soap—nor a substitute for it, neither is it a washing powder. But SKITCH is a wonderful aid to soap and a great saver of soap. Three teaspoonfuls of SKITCH placed in your boiler of clothes does the washing in 20 minutes without rubbing or bluing and saves one bar of soap. SKITCH comes in delicate light blue flakes, and while it cuts soil and stain from clothing quickly and positively, it contains no injurious chemicals—it will not harm the sheerest fabrics or most delicate hands. SKITCH costs but 10c per package. One package will do SEVEN BIG WASHINGS. You really cannot afford to be without SKITCH—you certainly will not be without it after using it once. Buy a package today from your Grocery. Let SKITCH do your next washing. Save the tops from the package for valuable premiums. THE SKITCH COMPANY, Chicago "Skitch Your Clothes With Skitch"

Footwear for Summerlike Weather

White footwear is very popular this season for the reason they are serviceable, comfortable and cost less than leather footwear.

You can enjoy a full season's comfort by getting fitted now, the longer you delay in supplying yourself, it will be that much harder to get a pair. See us at once while the getting is good.

SPECIAL EFFORT TO GET CUTTING MACHINE

Letter Received By E. H. Gray
Says That Special Effort Will Be
Made To Deliver Machine.

Owing to delay in the shipment of the cutting machine for the local Red Cross shop there have been a number of inquiries as to the delay in the matter. The following letter will explain fully the reason for the failure of the machine to arrive:

Jacksonville, Ill., June 11, 1918.
Miss Grace Carter,
Care Red Cross Shop,
City.

Dear Madam:
Attached please find letter from Laurence M. Stein company, under date of June 8, in reply to my letter of June 7, requesting information as to why the cutting machine ordered from these people was not shipped.

I trust that their letter will be a satisfactory explanation and as soon as I receive any further advice from them, will be glad to inform you.

Regretting that the delay has occurred, and assuring you that I will be glad to put forth any effort you may suggest in securing this machine as prompt as possible, I am,

Yours truly,
E. H. Gray,
General Superintendent.

Jacksonville Railway & Light Co.,
Jacksonville, Ill.

Att. Mr. E. H. Gray, Gen. Supt.

Dear Sir:

Your letter of June 7 received, and we surely appreciate the courtesy and consideration which you show us in regard to our delay in making delivery of the Eastman cutting machine ordered by your local Red Cross chapter.

The question of making deliveries on Eastman cutting machines has caused us more trouble and annoyance during the past two months than any other line that we carry. Eastman machines are more complicated in construction than regular sewing machines and also the matter which goes into their construction comes from so many different sources that the factory has been handicapped on account of one delay after another in getting deliveries from the steel, copper and wire mills. This shortage of ma-

terial together with the scarcity of labor has caused a loss of time and money to a considerable degree.

We are today writing the factory, mailing them a copy of your letter, and are requesting that they give your order special attention over others and by so doing we believe that they will be able to make shipment towards the end of this coming week. We have a letter from them today, stating that they will have a few machines ready for shipment next Thursday or Friday and we will instruct them to forward one of these to your chapter.

You may be assured that we are doing everything we can to make deliveries, and it is therefore very disappointing to us that we have not been more successful in carrying out our purpose.

Yours very truly,
Laurence M. Stein Co.

Special attention is called to the patriotic address to be made by Serg. George Campbell of the 6th Canadian Field Gun Corps at Elks flag day exercises June 14th at 7:30 p. m. at the Christian church. You cannot afford to miss it. Twenty-two months at the front. Admission free.

E. E. Henderson, E. R.
E. P. Alexander, Secy.

A WONDERFUL MEMORY

The manner in which Dr. Wihart, the speaker at Illinois College commencement exercises yesterday morning, quoted from memory the productions of all sorts of writers was really remarkable. It adds wonderfully to the effectiveness of a speaker's words when he can thus quote, but is a gift either rarely possessed or at least rarely used. Mr. Postius of this city is another public speaker who has a wonderful amount stored away in his mind for ready use.

NO. 74 GOES FROM ZAHN TO JESSE GIBSON

Jesse Gibson of Murrayville looked over the stock of Buicks and Oldsmobiles in the garage of Howard Zahn yesterday and took home with him number 74 all right.

CITIES TO FRATERNIZE

Rawlins Concert Band, Of Roodhouse, to Pay Visit to White Hall.

White Hall, June 12.—The military draft has made serious inroads upon the membership of the White Hall Band, and this was emphasized in the recent preparations for Decoration Day, when it became evident just a few days before the observance that the White Hall Band had been depleted to such an extent that its services were no longer possible during the war. This fact was made apparent to the Rawlins Concert Band of Roodhouse, which organization volunteered its services to the White Hall committee and appeared on the program at White Hall late in the afternoon. The magnanimous spirit of the Roodhouse organization prompted Mayor R. C. Boehm to send a letter of appreciation to the director, Dr. L. A. Rawlins, to which the following reply has just been received.

Roodhouse, Ill.
June 16, 1918.
Robert C. Boehm, Mayor,
White Hall, Ill.
Dear Sir:

It was the least of our thoughts to consider any pay when we played the short concert for your people on Decoration Day, but wish to say that your splendid letter of May 21st is one that is a pleasure to read, and the check for \$25.00 is more than appreciated. We feel that we are in debt to you for the splendid spirit manifested.

At a near future date, when we can arrange mutually satisfactory to your people and our organization, we want to come to White Hall and render an evening's concert in White Side Park. For this there will be absolutely no charge, and it will be done because it will be a pleasure for us to be able to do this, and because we know your people will be hungry for band music, as they miss the band organization that you were formerly proud to call your own.

Now, above all other times, is when all organizations need to stand together when all towns and cities need to stand together closely against the one common foe which looms up against us, liberty-loving people. It would be a pleasure to this organization were we partially the reason for a closer communion between our twin cities, Roodhouse and White Hall.

Again permit us to thank your people thru you for the good letter as well as the check for \$25.00.

Sincerely yours,
RAWLINS CONCERT BAND,
By B. C. Roodhouse,
Secretary-Treasurer.

SEED CORN

LIEUT. GRAFF AND PAUL FRITCHEY MEET

Sheriff and Mrs. Grant Graff yesterday received a letter from their son, Lieut. Byron Graff, written from somewhere in France. Lieut. Graff mentioned among other things that he had been only a few days in France when upon entering a Y. M. C. A. building he was greatly surprised and equally pleased to find Paul Fritchey in charge. Mr. Fritchey, who after resigning as secretary of the Jacksonville chamber of commerce, was attached to the Alexander Hamilton Institute, has been in Y. M. C. A. work now for a number of months, altho he was but recently sent overseas. It goes without saying that the meeting of Lieut. Graff and Mr. Fritchey was pleasant for them both.

James L. MacDonald has bought an 85-6 Overland from the Overland Berger-Pine Co.

Joseph Johnson arrived in the city yesterday from Terre Haute, Indiana to join his wife and baby who are visiting Mrs. Johnson's mother, Mrs. Scott at the Oaks, and to visit Mrs. mother, Mrs. Elizabeth Johnson of this city.

BUSINESS MEN PLAN TO AID THE FARMERS

Committee Will Meet This Morning to Begin Organized Effort for Furnishing Farmers with Workers at Harvest Time.

Definite steps were taken yesterday by M. F. Dunlap as county food administrator to have residents of Jacksonville co-operate with the farmers of the county in the harvesting of crops and thus giving assurance that the labor necessary will be available when the time comes. In order to have a working force organized, the following committee of business men was chosen: T. M. Tomlinson, chairman; F. E. Farrell, John W. Clary, Fletcher Hopper, G. T. Douglas, Otis Hoffman, F. J. Waddell and John S. Hackett.

This committee will meet at the Ayers national bank tomorrow morning at 9 o'clock to definitely formulate the plans. While in some cities a program is to be followed of having merchants close their stores two or three days each week in order to release men for farm work, it is possible that some other plan will be developed here. One method discussed is for the committee named to secure definite information from each firm or business man relative to the number of men that can be released for a certain specified time for farm work.

Labor Clearing House Suggested. The committee will likely operate in conjunction with the county agent and the office of the agent in the county house can thus be used as a sort of clearing house for the workers and those farmers who will need special assistance. The office of the county agent is centrally located, someone is constantly on duty there and applications sent to the county agent's office can be transmitted to the committee already named.

As indicated, the full details of the plan have not yet been worked out but the purpose is plain and that is to secure workers for the farms of Morgan county at just the time when that work is absolutely needed. Some fair price per hour will be fixed for the work, as farmers are entirely willing to pay for all work done and are simply lacking in money power. As Mr. Dunlap suggested yesterday, it is not only the purpose to secure men from the stores for a few hours' work at different times, but also to ask larger employers of labor to release a few men for a day or two at a time.

This would be especially valuable if men used to physical work can be released. It is fully realized that there are a great many men employed in the stores and offices who would not be of much value for farm work, except it be for a limited number of hours and during the cooler periods of the day. The fact is that many men are so "soft" that their attempts at farm work would be likely to be quite expensive. This very fact constitutes one reason why a general closing of stores and offices is not especially advisable, from the fact that a great many employees so released would absolutely be unavailable for the farm work.

It is also true that while some merchants are willing to close there are always objections from other merchants and some of the objections are quite well founded. As indicated, the committee will meet this morning and then the whole plan will be threshed out. The committee is composed of well known business men who are thus evidencing their earnest desire and purpose to assist the farmers in every reasonable way.

COMING, "WHEN?"

In the next few days.

What is it?

That new FORDSON TRACTOR you have heard so much about. C. N. Priest the Ford man, has positive assurance that he will have a car load ready for distribution in a short time. If you are interested better see him at once. They won't last long.

NOTICE TO ODD FELLOWS AND REBEKAHS

Sunday, June 16th, is Memorial Day and will be appropriately observed at the Christian church at 3 p. m. An excellent program has been prepared for the occasion. All Odd Fellows will meet at Odd Fellows Temple on East State street, and the Rebekahs will meet at Odd Fellows hall on West State street at 2 o'clock p. m. and march to the church in a body. Every member of our noble order should attend and pay tribute to our honored dead.

By Order Committee of Arrangements.

"WANTED"

Mechanics, to work on Ford Cars.

C. N. PRIEST,
The Ford Man.

SAVINGS STAMP MEETING.

The War Saving Stamp meeting scheduled for Pleasant Grove school east of Murrayville will be held Friday evening instead of Thursday evening as announced in Wednesday's paper.

H. H. Vasconcellos, Thomas Harber and Judge William E. Thomson will be the speakers. The people of the district are making preparations for a big meeting and will endeavor to outdo the meeting held at Irlam's store on Tuesday.

CHILDREN'S DAY AT M. E. CHURCH INTERESTING

Items from Lynnville and Vicinity.

Lynnville, June 12.—Mrs. Ben Edwards and little son Harvey of Springfield are visiting at the home of her mother, Mrs. George Blackburn.

Mr. and Mrs. David Tuks, Mr. and Mrs. Fred Duckwall and Mary Moore spent Sunday with William Tuks and family near Winchee, Mr. Mrs. Lillian Dikis of Springfield is visiting her parents, Mr. and Mrs. Davis.

Miss Clara German has returned to Peoria after a visit with her mother, Mrs. Charles German.

Children's day exercises were observed at the M. E. church Sunday morning.

Mrs. Nettie Shepherd has received word from her son Foster, at Base hospital, Camp Merritt, New Jersey, that he is better and able to be out of the hospital.

Mr. and Mrs. Mayfield returned to their home in Chicago Sunday after a visit at the Mayfield farm west of the city.

James Lazenby was a visitor in Springfield Sunday afternoon.

Pearl Fligg, Mrs. Nettie Shepherd, Lorenzo Shirliff and J. E. Lazenby spent Tuesday evening with Mr. and Mrs. Roy Heaton.

Mr. and Mrs. George Blackburn gave a farewell dinner Sunday, in honor of the Mrs. Simon and Clarence, who have enlisted in the service and expect to leave in a short time for camp. Simon will enter the mechanical department and Clarence in the Home Guard.

Both boys leave with the best wishes of their many friends. Four generations were seated at the table which was loaded with every delicacy, such as Mrs. Blackburn and daughters know how to prepare. The following guests were entertained: Mrs. Hulda Moore, Mrs. Nettie Shepherd, Nellie Hagan, Pearl Fligg, Mr. and Mrs. George Patrick and daughter Neva, Mr. and Mrs. W. H. Coultas and daughter, W. H. Stephenson and daughter Opal, L. M. Shirliff, Miss Bessie Watt of Jacksonville and Mollie Willmarth and Mr. John Neff of Springfield.

MURRAYVILLE, ROUTE 1

G. A. Hobbs was called to Kansas City Sunday evening by the serious illness of his father.

Clarence Lorton and family were Sunday visitors in White Hall.

Mr. and Mrs. Oliver Zahn and children of Arenzville were guests of Mr. and Mrs. John Blumling Saturday and Sunday.

The funeral of Mrs. Gus Henry, who died at her home Friday, was held at the Youngblood church Sunday morning. A good number of friends and neighbors went to Nortonville to attend the funeral.

W. E. Masters and family and Felix Gordon and wife spent Sunday evening with Mr. and Mrs. John Vasey.

Mrs. Ruth Robinson took supper with Mrs. Lydia White Monday evening.

Roy Clark has a new Ford car. Wm. White and family spent Sunday with Mr. and Mrs. Jeff White near Woodson.

Mrs. Stella Hagan and Mrs. Josephine Richards were visitors in Jacksonville Monday.

Rev. W. H. McGhee and Mrs. Layton spent Saturday afternoon with Mrs. Arthur Sandman.

Harvey Shipley and Emma Lee Shipley of Springfield, Mr. and Mrs. George McKean and son and Mrs. Fannie McKean spent Sunday with Mr. and Mrs. W. T. McKean.

Mr. and Mrs. Henry Lamkular and three sons of Sinclair, Mr. and Mrs. Lester Lamkular of Franklin, Mr. and Mrs. Estell Lieb, Mr. and Mrs. D. E. Sandman and Mrs. Arthur Sandman of Exeter spent Sunday with Mr. and Mrs. Thomas Story and Mrs. Arthur Sandman.

J. W. FANNING WILL RIDE IN NO. 75 OF ZAHN

J. Warren Fanning of Murrayville looked about and concluded to buy number 75 of Howard Zahn who sells the Buick and Oldsmobile autos. He knows a good thing when he sees it.

TO THE CITIZENS OF SOUTH JACKSONVILLE

I have recently received several calls in regard to street lights and for the information of all will say that I have just received a letter from Supt. Gray of the Jacksonville Railway and Light Co., enclosing copy of a letter from the United States Fuel Administration urging economy in street lighting. The complaint is made that those not authorized to turn on lights, persist in doing so, after they have been turned off, and that therefore the lights sometimes burn all day. We are promised service provided that our people will co-operate with the Supt. and Fuel Administrator, otherwise the service might be withdrawn until the war is over. Therefore, tampering with the switches by those not authorized is strictly forbidden. All violations will be reported to the Fuel Administration.

L. A. Bercyman,
Pres. Board, South Jacksonville.

NOW IN CALIFORNIA.

Capt. F. C. Taylor has received word of the safe arrival in Los Angeles of Mr. and Mrs. J. G. Nolan and Mrs. T. C. Taylor of Rushville. Mrs. Nolan is Capt. Taylor's sister and Mrs. Taylor is his mother. The latter is 91 years old but is in remarkable health and stood the long trip in fine shape. Mr. Nolan is in poor health and has gone to California with the expectation of making his home permanently. They are located for the present at 1445 West Adams street, Los Angeles, Calif.

ATTENTION, SURGICAL DRESSING SUPERVISORS

The surgical dressing supervisors will meet at 6:30 Friday evening in uniform on Illinois College campus to take part in flag day exercises of the D. A. R.
